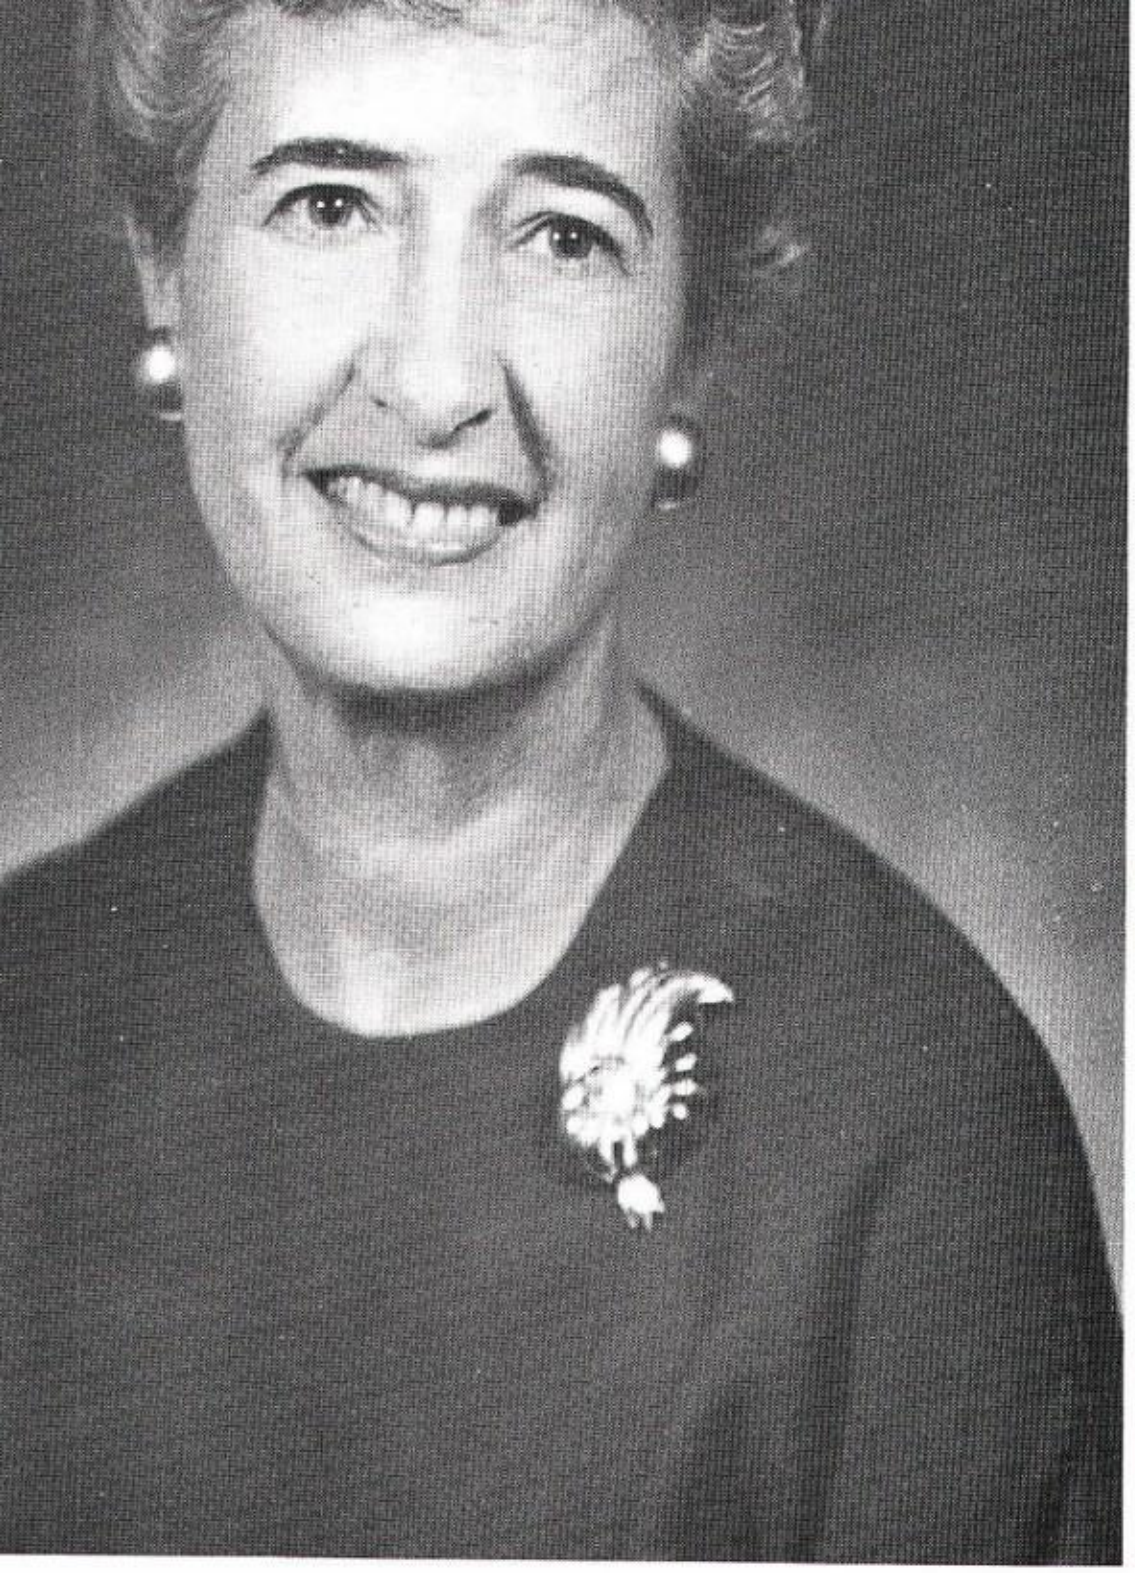
Preface

A year at Jefferson encompasses many experiences. Hope, joy, scholarships, friendliness, and spirit are present in all phases of life at Jeff, whether it is in a classroom or in sports competition. To an outsider, the atmosphere at Jefferson is incomprehensible, because Jefferson is of the old and the new. Traditions, such as Coney Island Carousel, are the backbone of Jeff. Yet new experiences, such as the Halloween bid dance, add a spirit of adventure. Together they create a school with harmony.

These things happened at Jeff in the year 1966-67:



In Dedication

claim her with pride, just as she in her many contacts throughout the world has said with pride, "I am an English teacher at Jefferson High School in Portland, Oregon." In the bond which that statement asserts we have been elevated as a school.

As early as 1941 Martha Shull, having demonstrated her value as a member of many significant local, state, and national committees, was elected president of The Inland Empire Education Association. In the summer of 1954, after serving as president of the Oregon Education Association, but before being elected president of the National Education Association, Martha Shull was one of two delegates appointed by the United States Department of State to attend the 17th International Conference on Education in Geneva, Switzerland; from there she went as NEA delegate to an International Conference in Oslo, Norway. She was also a delegate to conferences in Canada, Norway, Germany, and the Philippine Islands. In 1955 President Eisenhauer selected her to serve on his committee for the White House Conference on Education. She was selected as a member of the joint committee of NEA and the Magazine Publishers Association and also served on the panel of Education Consultants of the Curtis Publishing Company. Lewis and Clark College granted her an honorary LHD degree at the Commencement Exercises where she delivered the Commencement Address. She was chosen by the Quota Club as a Woman of Acheivement and as a Leading Woman in Oregon Public Affairs by Theta Sigma Phi.

Martha Shull has been a classroom teacher for 39 years. During this time, she has brought honor to Jefferson, to the community, and to Portland. She is one of the best known and frequently honored classroom teachers in America. She has dedicated to the improvement of education and the well-being of society her understanding and appreciation of people, her keen insight, her ability to see a problem in its whole, her talent for leadership, and her capacity for concentrated continous effort. The radiance of her spirit, her charm, her poise, the natural way in which she reflects that which is beautiful and true have inspired both students and teachers. She is an ambassdor of good will wherever she goes.

We, the students of Jefferson High School, are proud to dedicate the 1967 Spectrum to Miss Martha Shull.

Granted an Honorary Degree of Doctor of Humane Letters by Lewis and Clark College in 1957.

In 1956-1957, Miss Shull was unopposed for the Centenial president of N.E.A., the largest teacher organization in the world.

Administration

Probably no other high school in our city can historically claim the quality of unity to the degree that our own school, Jefferson, can. Since its very beginning in 1909 the student body and the ever growing alumni group have felt a distinct common bond. Whether it has been in their studies, their sports, their social functions or their community services, Jeffersonians have always exhibited a tremendous loyalty toward their school. This unity has made Jefferson a great school.

At the fiftieth reunion in the year 1959 it was amazing to see the public auditorium filled to overflowing with graduates who had returned to renew their friendships and their common ties.

Whatever present or future accomplishments we may obtain will depend to a large degree upon how well we can put aside our differences and work together toward our goals. Only through unity will we overcome the many problems which face us in our complex and challenging society.

Dad's Club

With increased membership of 225 the dads started the year by patroling football and basketball games.

Under the direction of Fred Lugviel the Dad and Daughter banquet once again brought the dads and their daughters together again for an evening of fun.

Three nights of superb entertainment with nationally famous Jester Hairston made a success of this year's Spring Music Festival which was once again sponsored by the Dads Club.

Parent-Teacher Association

This year over 500 members have used as their theme, "Better Communications between Home, School and Community."

Packing envelopes, registering students, hostessing special occasions, selling refreshments at Football and Basketball games are a few of the PTA's numerous activities.

Budgeting funds for school publications, AFS hand book, Student Aid Fund, and donations for the choir made this year a productive, active and friendly one.

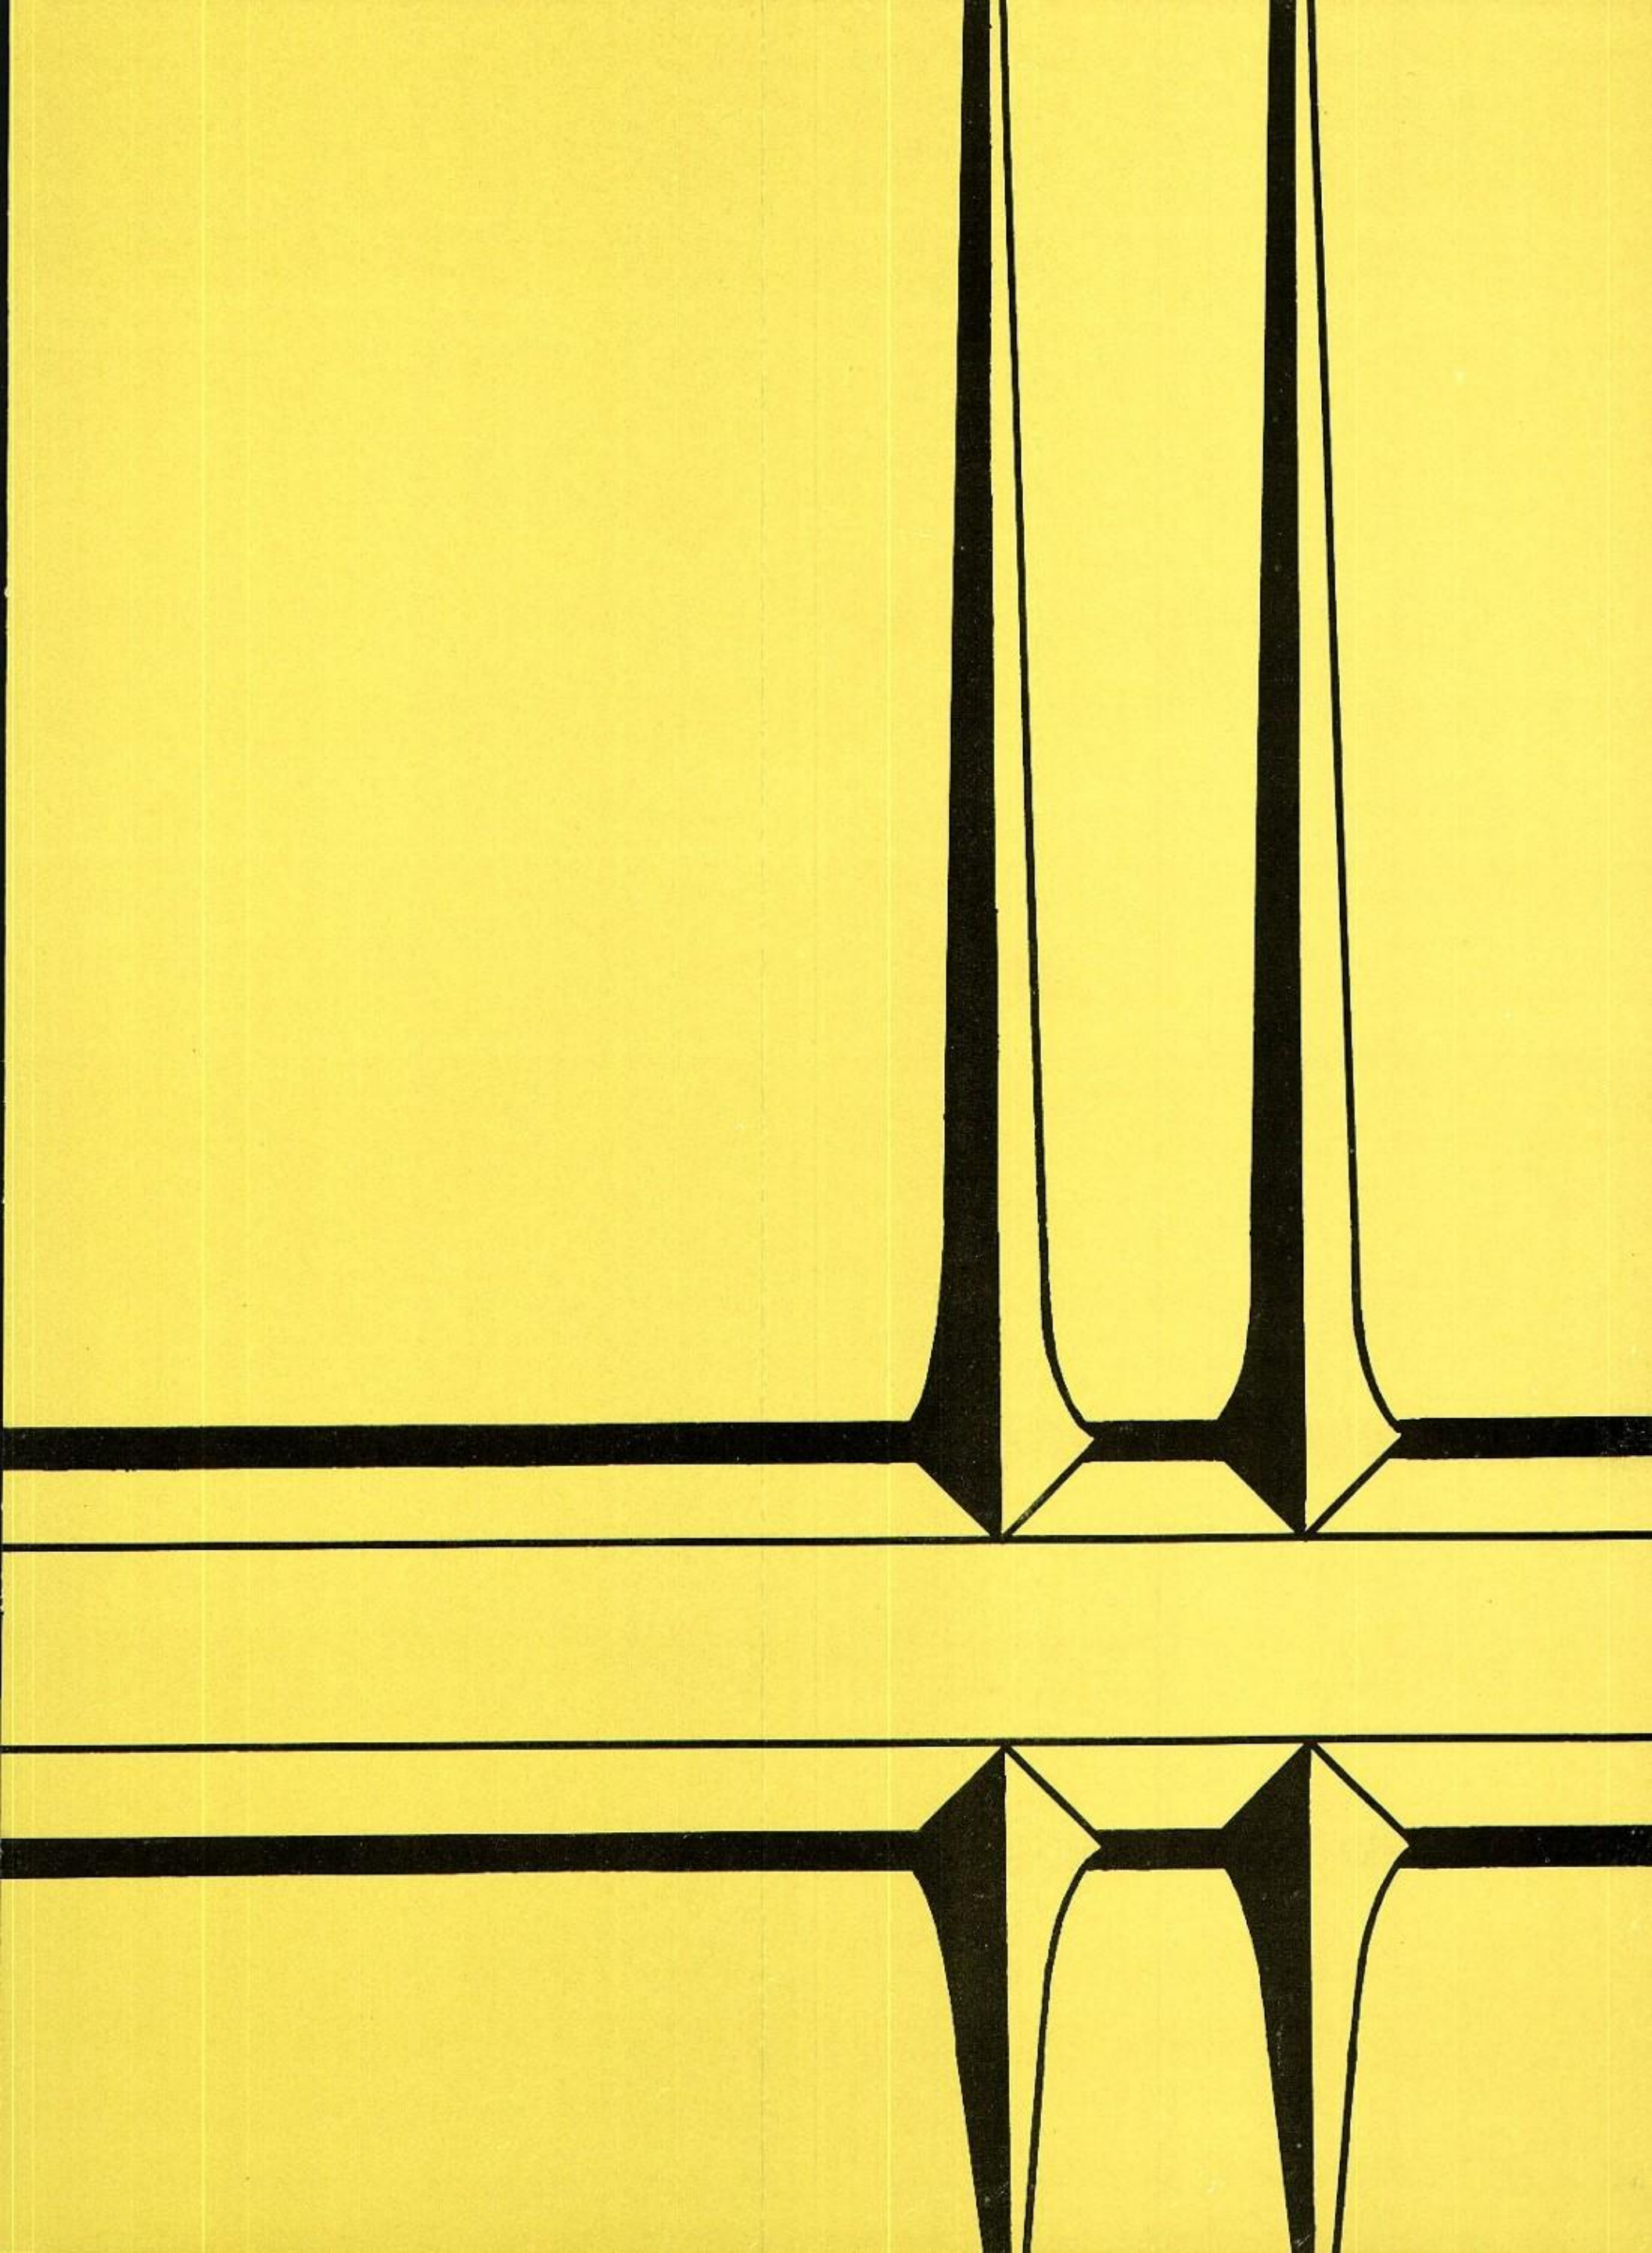
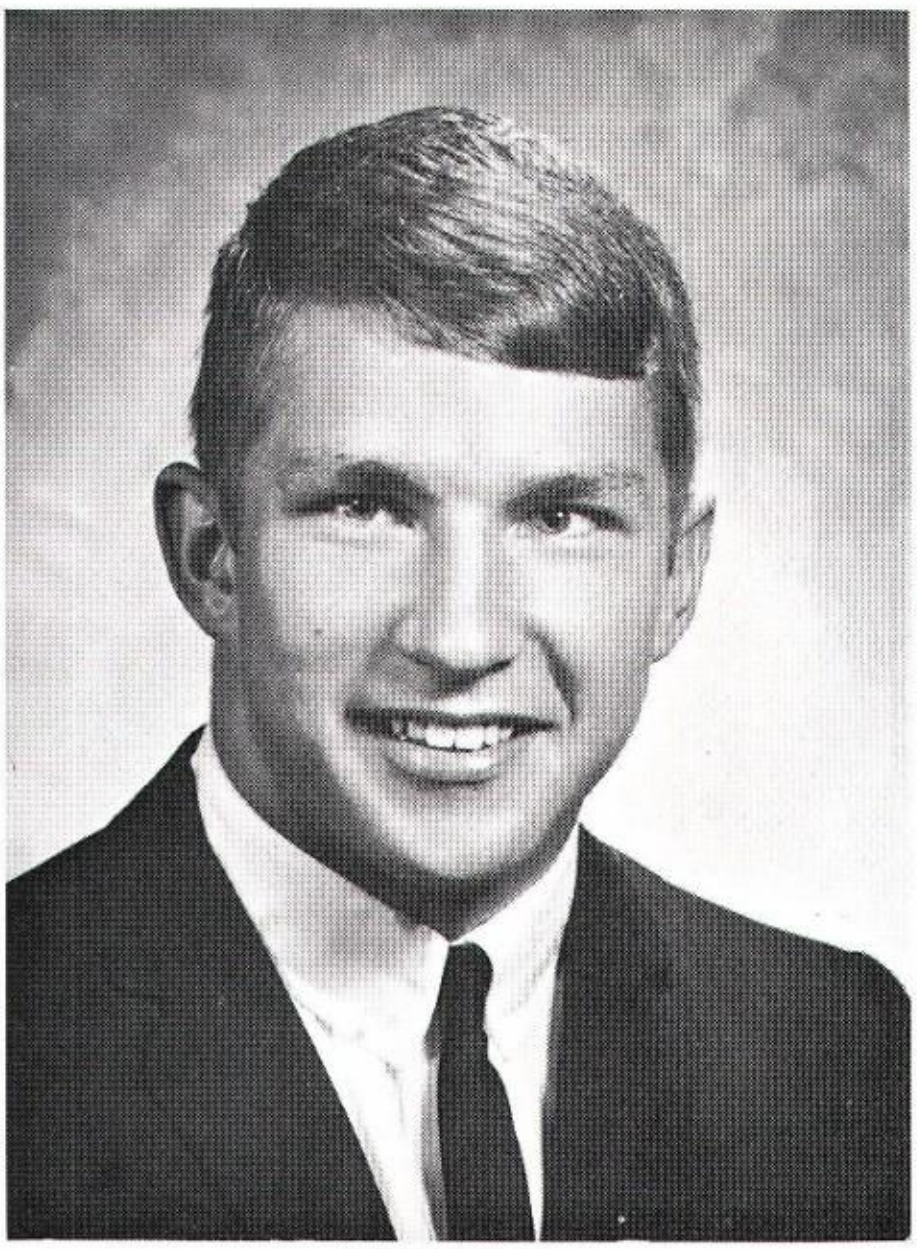
SENIORS





PRESIDENT
Tom Tate

"...the right to strive in human dignity toward higher goals" was adopted by the Senior Class headed by President Tom Tate. The Class of 1967, in completing their four years at Jefferson, have thus far lived up to their standards.

Leadership was just one of the qualities of the class; scholastically they were high and their activities were many. A bid dance entitled, "Under the Big Top," bake sales, baccalaureate, commencement, and the prom, "Raindrops and Roses," were some of the experiences which upheld their motto. This was truly a busy year, but well worth the effort for the Class of '67.

National Honor Society is an organization which recognizes students for outstanding service, leadership, scholarship, and character. This year under the capable leadership of President Duane Higginson, the club again accepted the responsiblity of a tutoring program. Many members, during their study hall, donated their time tutoring students of local elementary schools.

To hi-light the year, an annual banquet honoring the Senior members was held at the Quay Restaurant. This was truly a very memorable evening for all as it brought to a climax the hard work of another successful year.

'ALLO?

Hi Jett!

Gosh, the year is almost over, isn't it? Now that I began to know you better, it's too bad that I have to leave.

I don't like to say good-bye. So, I will not say it. I will just say, "Ate logo," because you are going with me, Jeff.

To the fartherest places that I go different people that I'll meet won't ever make me forget the fun that I had here and the friends that I'll leave here. Now, I know that it is very true that "...Jefferson will live in my heart and never die."

Ate logo, Jeff.

Love,

Edyala (Edy to you)

VICHIAN POOSI, THAILAND

Dear Jeffersonians,

The wonderful year at Jeff has been going quite fast. This means that some of our friends are going far and far away. But, friends of mine, I am sure that this doesn't mean that my leaving is the end of our relationship. I am still being friend of yours and you too are still being friends of mine and friends of people in the world. We are in the same boat. We'll float or we'll sink; it is up to us. I would like to ask you to take care of Jefferson, school of mine. Make her still being "School of champions". I am very proud of this fame... My friends... Things we have done together including personal and universal. It is so great. Many people in the world do not have the opportunity like us... Bringing Peace to our world. If the earth is really round, I'll see you again.

Love,

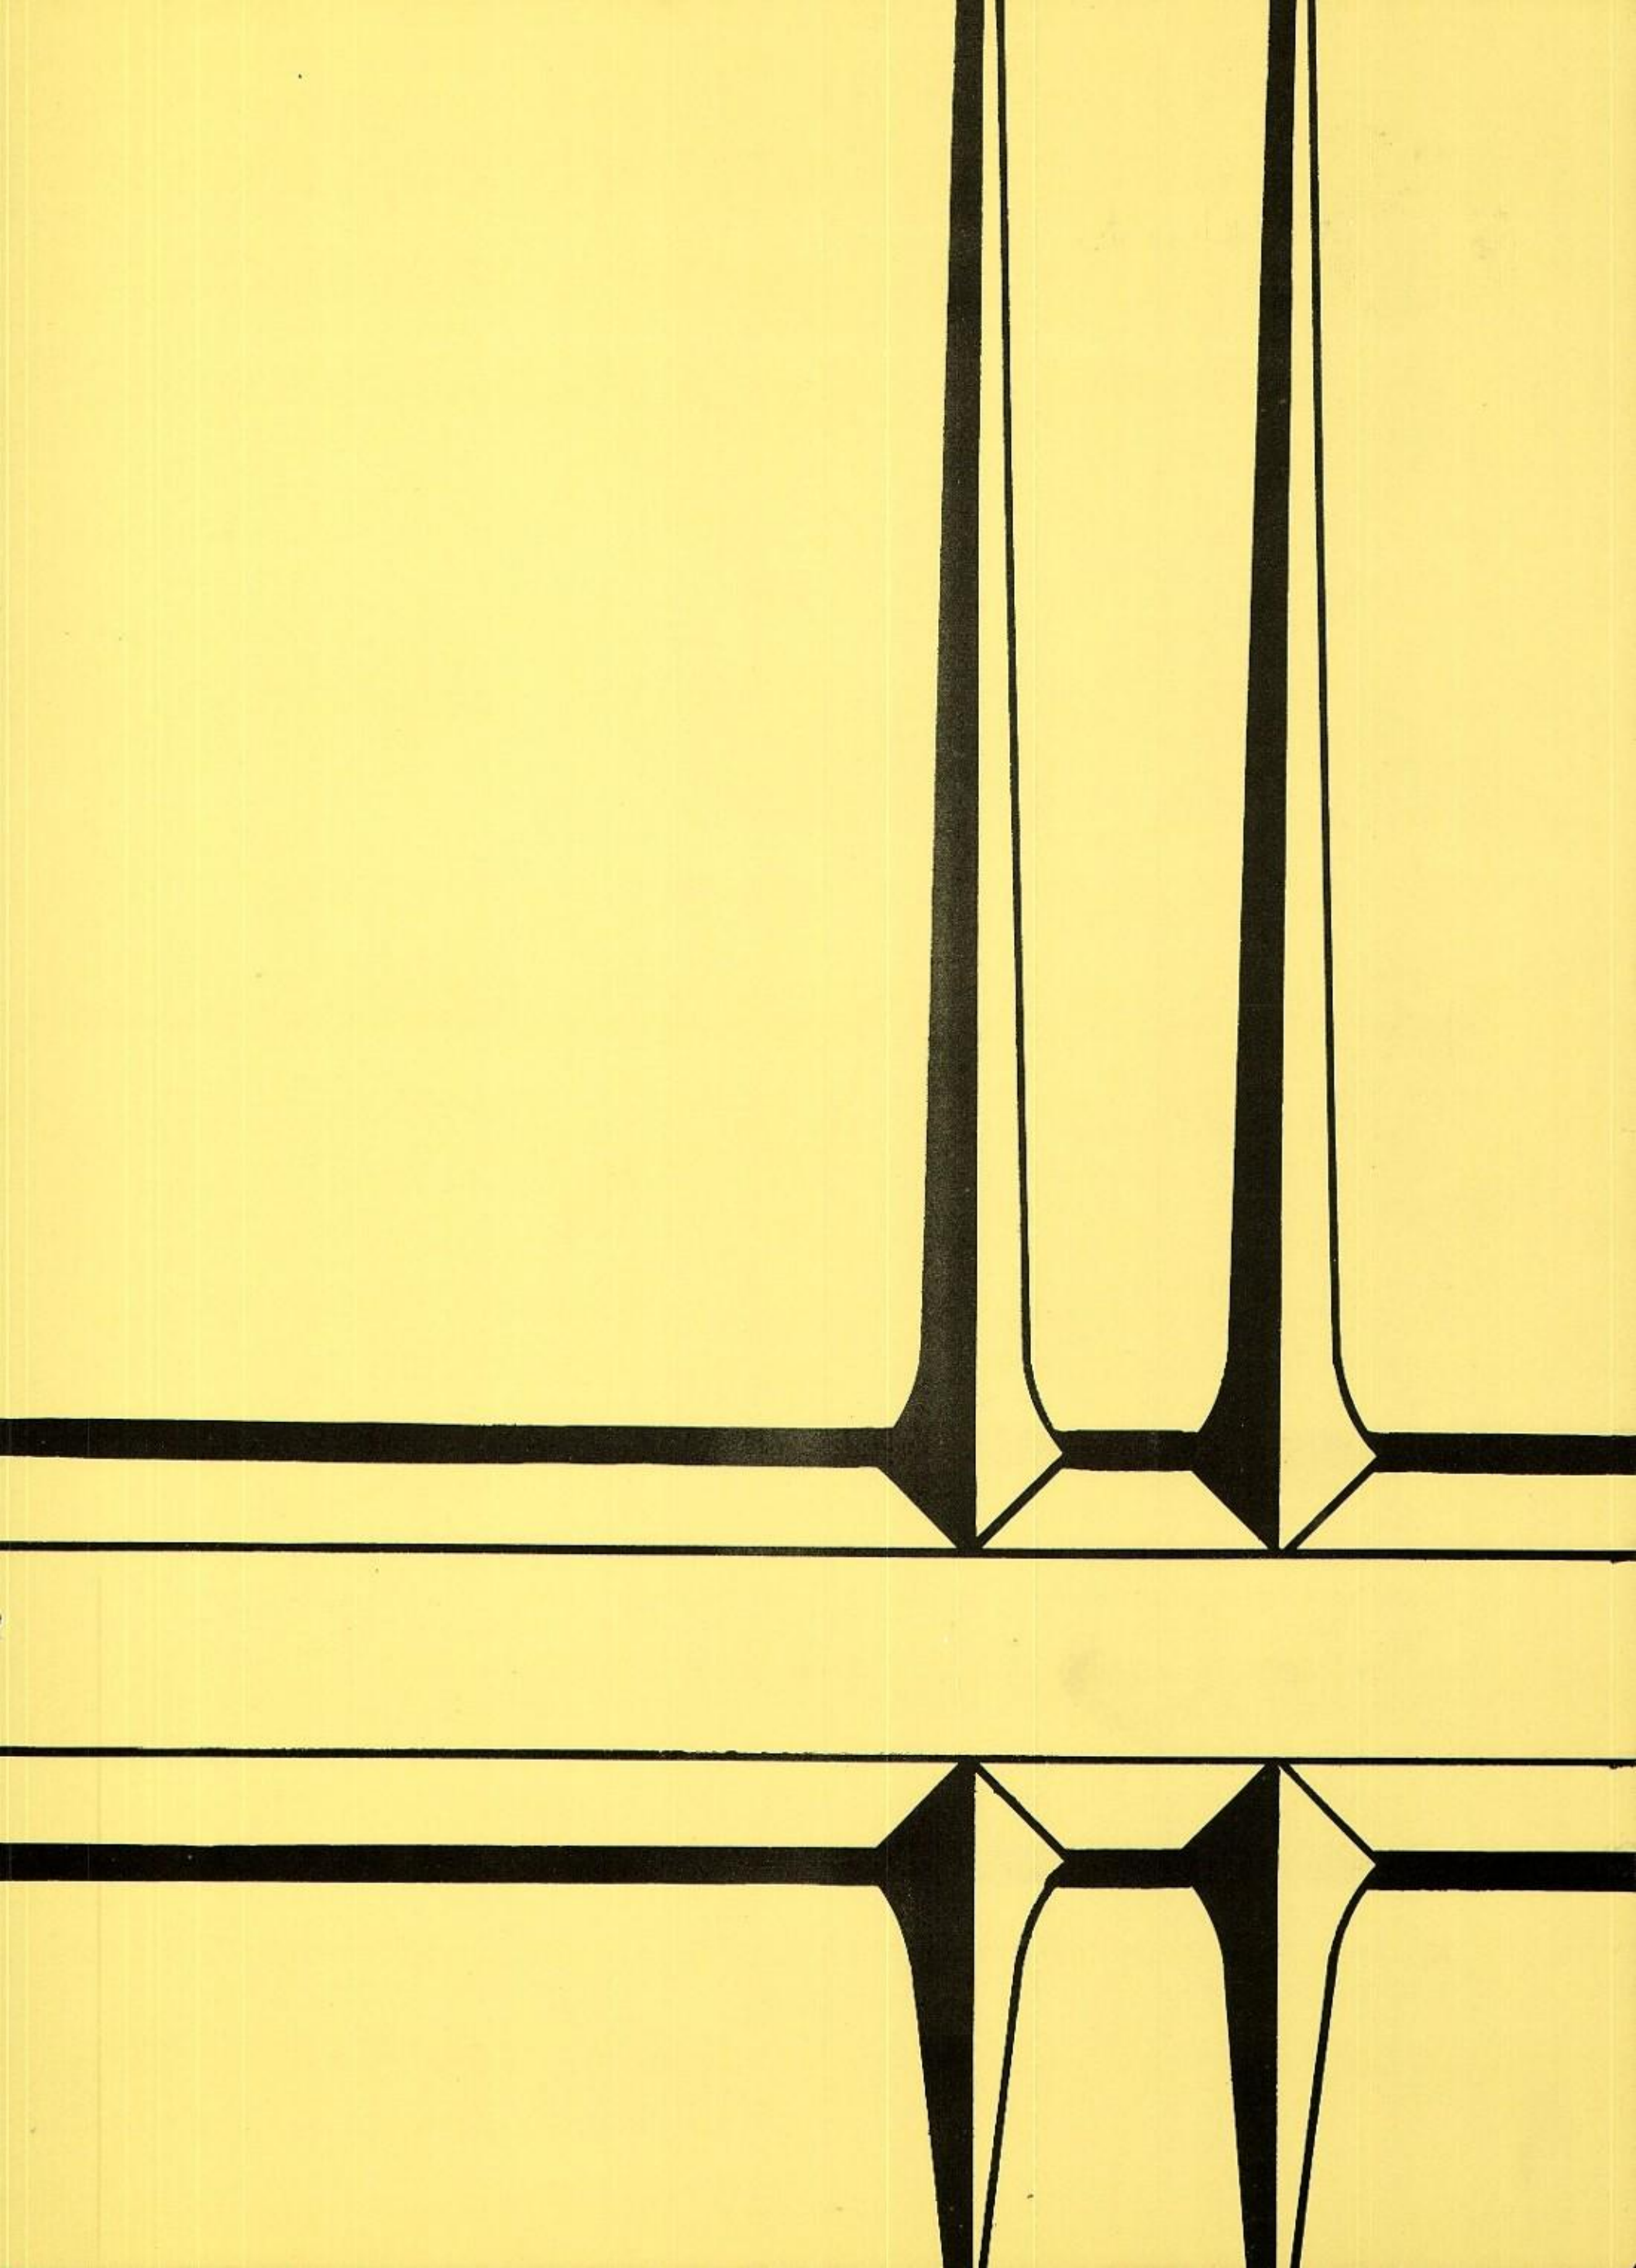
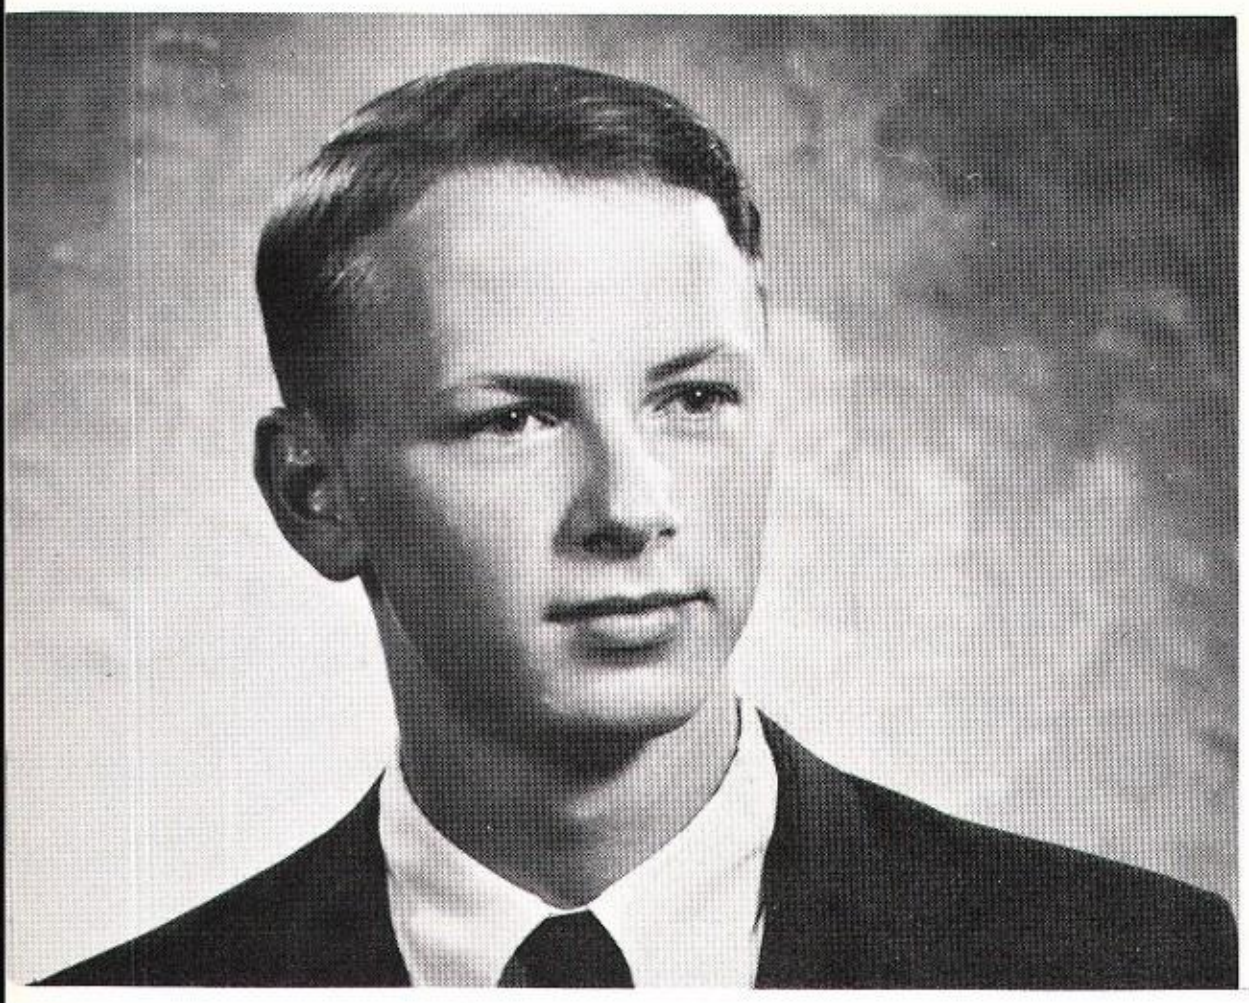
STUDENT LIFE





PRESIDENT Ron Hayhurst

The 1966 Fall Cabinet started their duties early in the summer by attending a workshop conference in Eugene. Led by industrious Ron Hayhurst and vivacious Suzi Iverson, the student body officers started the school year with their successful Hello Week. They also furthered relations with other schools by the exchange visit with Rex Putnam students, and pre-game dinners with the cabinets of opposing schools. The "Real Thriller" is an excellent example of how this year's fall cabinet worked together to out-do any previous school activities. The Non-Smoking Campaign proved that the officers held great interest in the community and their fellow students. This year's Fall Student Body Officers have displayed much ingenuity and hard work, thus becoming one of the best Demo Cabinets in history.

Senate

Congratulations are deserved by this year's Senate. It has worked well with both Presidents and cabinets. It enacted several reforms and issues, although certain restrictions prevented it from completing much more.

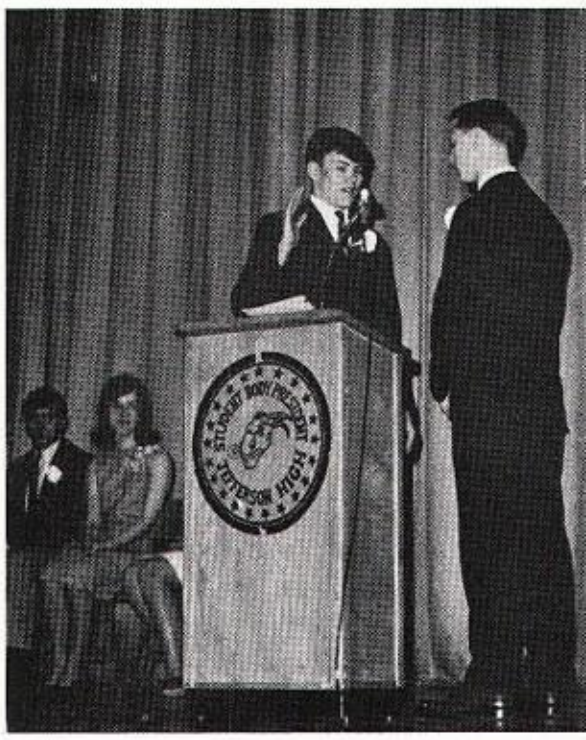
PRESIDENT Pete Overvold



This year's Spring Student Body Officers have been hard at work on public relations. They have had many exchange days with other schools, such as Cleveland and Beaverton.

The big event of the spring term was of course the choir's trip to Japan. The cabinet planned and carried out a fine assembly which expressed the whole communities' pride in this accomplishment.

Whether or not you fellow Jeffersonians realize it, our room representatives are the link which helps to unite our student body. Every fall and spring in Freshmen, Sophomore, Junior, and Senior English classes, the election of these people takes place.

We should sincerely thank those representatives who take their responsibility, as an important part of our school's government, seriously.

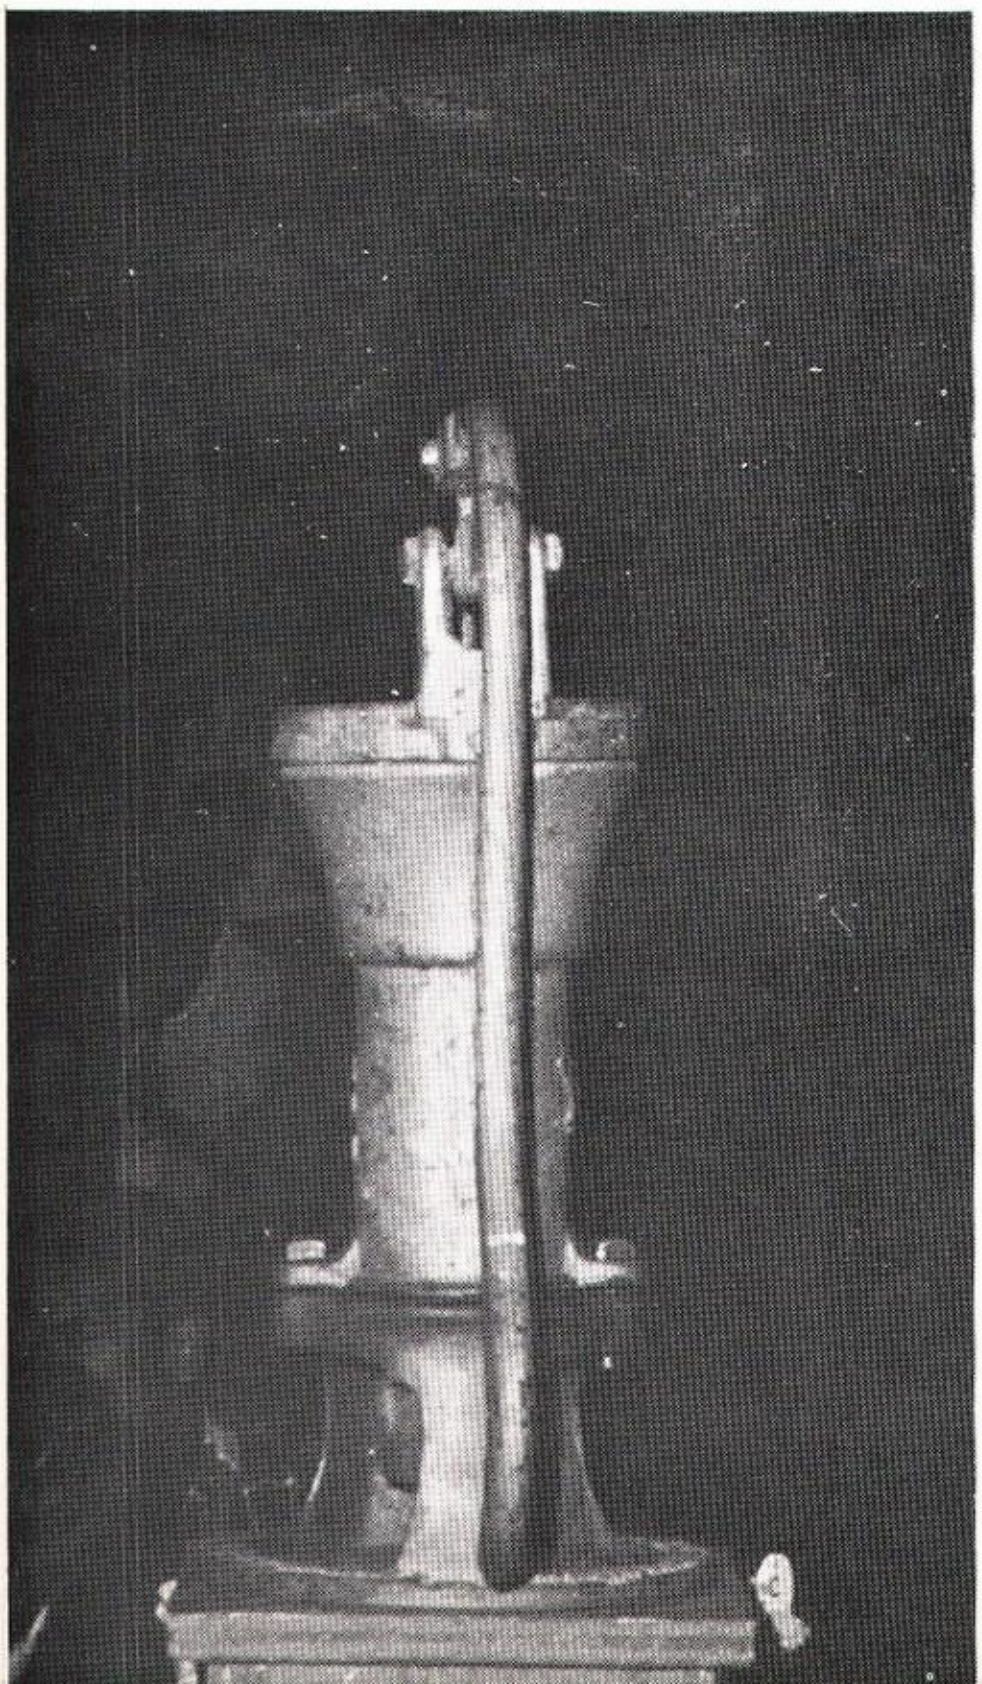
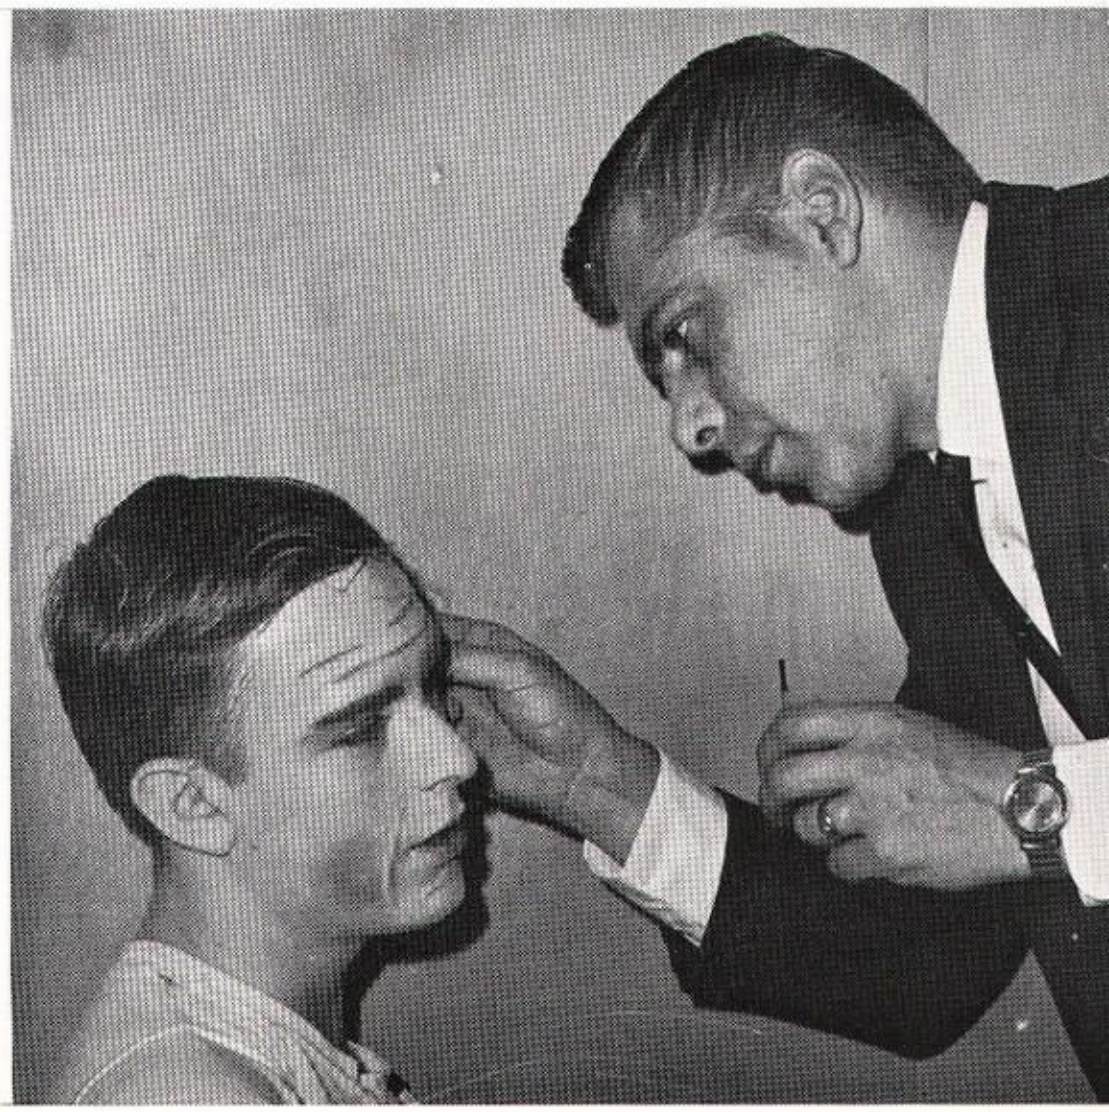
The Miracle Worker

The pump symbolizes Helen's entrance into the world of reality.



This year's fall play, "The Mirac Worker" proved to be one of the be dramatic presentations ever produc by Jefferson's drama department. T play drew large crowds who great enjoyed the acting. Jacque Clar who portrayed Helen Keller, was great success. Since Jacque had dialogue she had to use much acti skill to convey the feeling of bei both blind and deaf. Playing t part of Ann Sullivan was difficult b Diane Kingham made it appear eas

"The Miracle Worker" had ma fight scenes where Jacque and Dia displayed great timing and ability working together. Robin Cogdill a Dennis O'Leary as Helen's parent portrayed the frustrated love the Kel lers had for their daughter. A gre amount of time and effort went in the creation of the scenery and skill practice was exhibited in the ligh ing and sound effects.



The simplest things are hard.

Mr. Clark

With about 465 energetic sophomores enrolled, the class of '69 had a very successful year. Money-making projects reigned supreme over all other events. Enthusiastic sophomores sold Jefferson buttons and balloons; they also held several bake sales. Increasing their class treasury, the sophomore class had a very profitable and interesting year. Class advisors are Miss Linda deVries and Mr. George Bleeke.

Coach Wilcox

New Coaches Bring Spirit

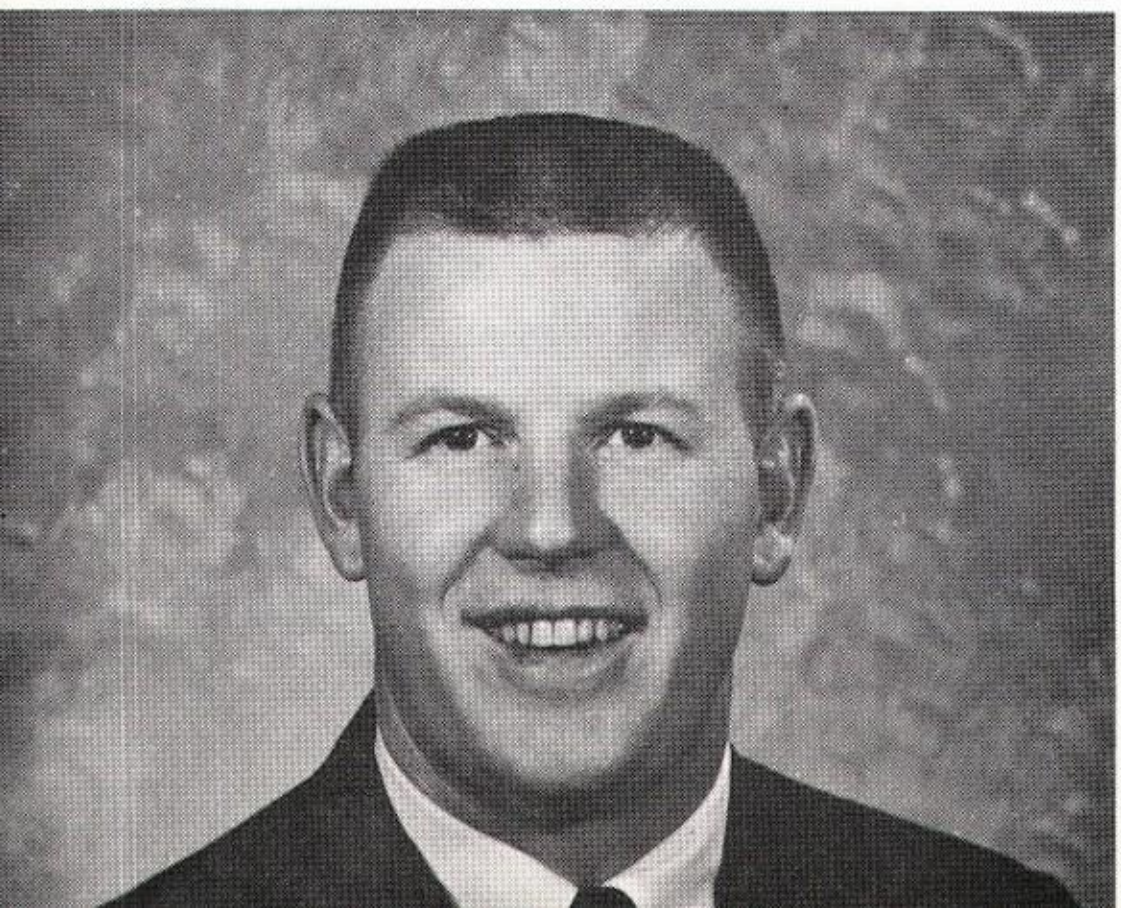
A new coaching staff really seemed to do something for team spirit this year. Mr. Wilcox and Mr. Peterson took hold of a relatively small and inexperienced team and really brought it to life.

This doesn't overshadow individual efforts though. Tom Tate, Art Mitchell, Tom McGowan, Tom Ball, Jim Nolten, and Al Davis are only a few of many outstanding seniors who paved the way for a 6-2 record.

Defensively, the Democrats were very sound up front. Junior Gary Gutwig gave this line some size. But the defensive backfield was the teams real weak spot. The backs were too inexperienced and too small for the competition.

Offensively, Jeff could really move. The small but experienced and speedy line led the way for powerhouse Tom Tate and little Art Mitchell and Larry Wells. This potent offense was led by Tom McGowan, one of the best in the city.

Assistant COACH PETERSON



The 1966 Democrats fell one game short of taking the city title as they finished the season with sole possession of third place. The six win, two loss record is the best one compiled by a Jeff football team since 1963.

Jefferson can look forward to a fine varsity team next year with returning starters and a very well-balanced J.V. team.

Teddies Surrender 36 - 2

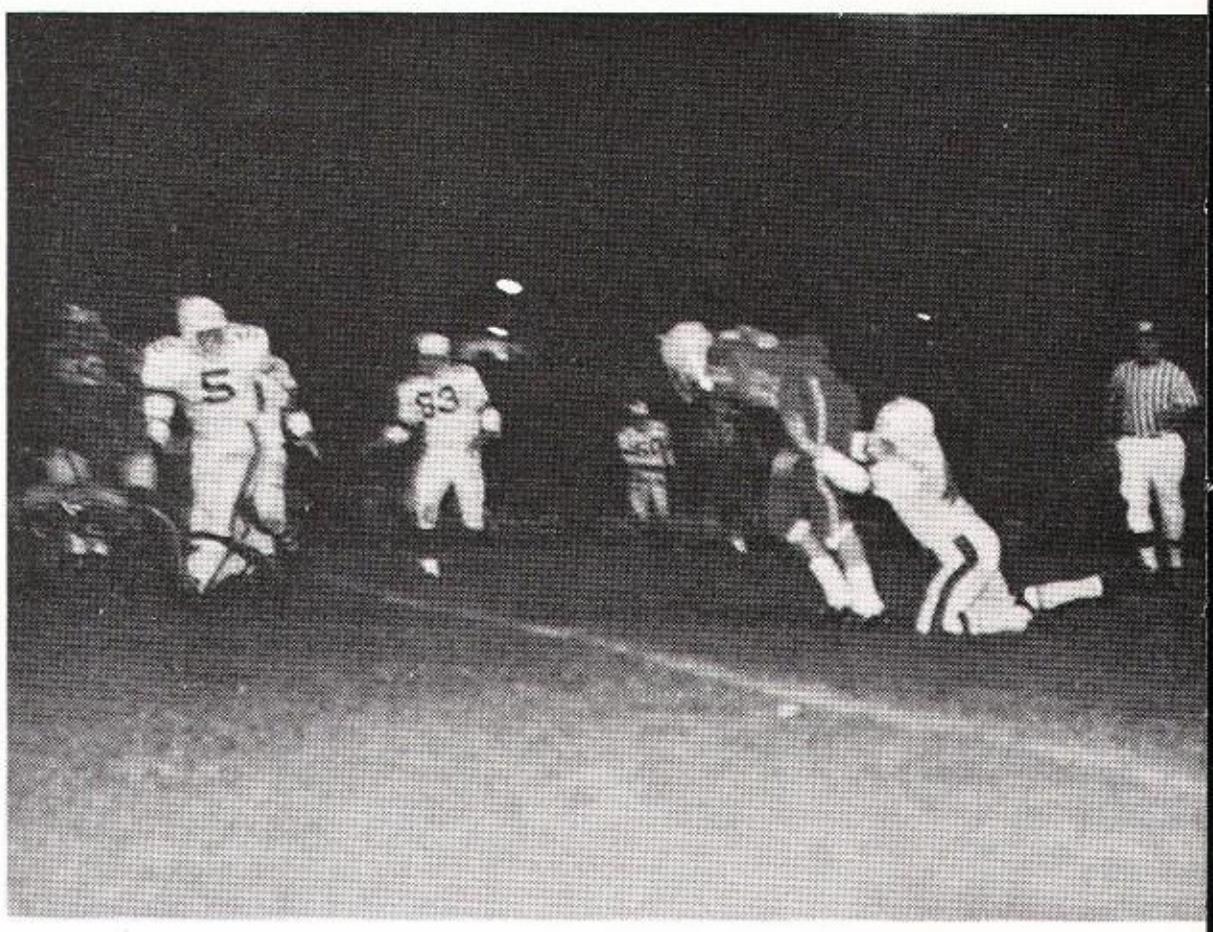
This game was strictly Jeff with the Demos racking up 28 first downs to the Teds 7. The always tough Demo defense held the Roosevelt ground game to 30 yards while gaining 188. Tom Tate and Art Mitchell each scored twice while Harvey Pfenning kicked a 34 yard field goal for the longest in the P.I.L. this season.

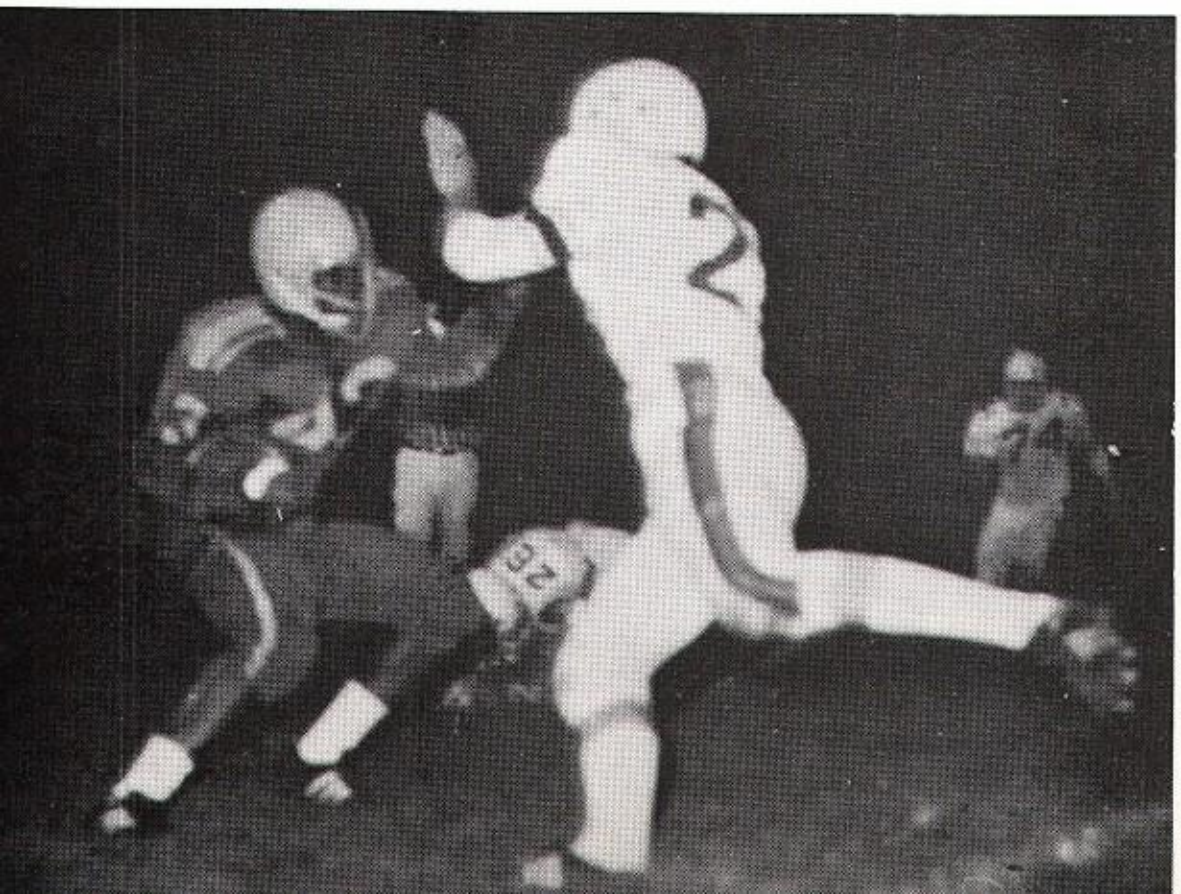
Jeff Edges M-Men; 13-6

The previous two losses had no effect on the Democrats as they evened their standing at 2-2 when Marshall was squeezed out.

The second quarter saw Tom Tate go over from the two yard line, the only touchdown in the first half. This sent the Demos to the locker room with the lead at halftime for the third consecutive game.

Quarterback, Tom McGowan scored from the two yard line in the third quarter which proved to be needed "insurance" against the M-men's lone fourth quarter touchdown.



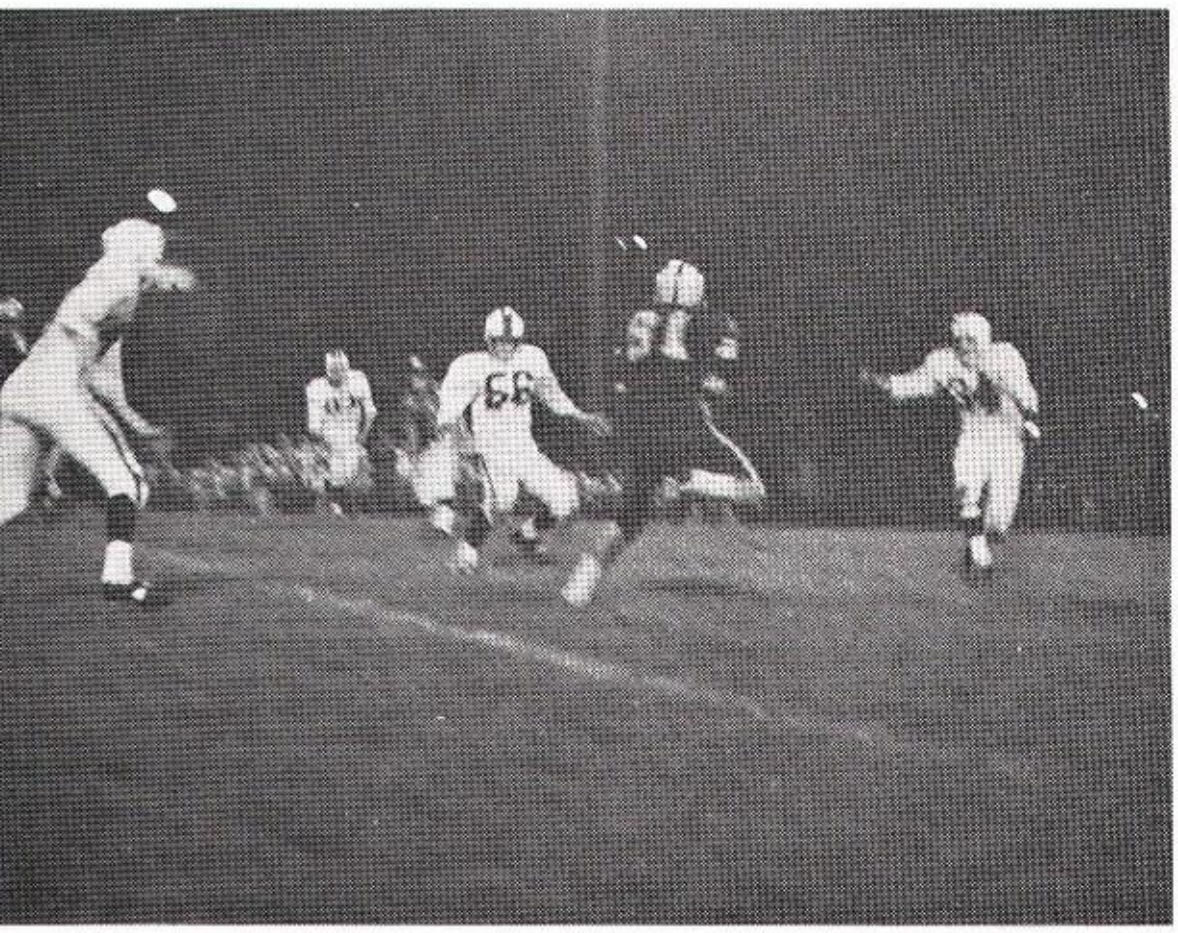


Jeff Drafts Tech; 27-26

When the cellar-dwelling Techmen invaded Kirby St. the Demos figured the strong favorite. But with the help of a very muddy field which slowed down the speedy Demo backs, Benson turned the game into a real squeaker. Both teams scored in the first quarter and only Jeff scored in the second. This was the sixth game in which Jeff led at half-time. Benson outscored Jeff in the second half 20-14 as the Engineers muffled an extra point try which was the deciding factor.

Demos Salt Cards; 26-13

The Demos opened the season at Lin-oln scoring early in the first quarter y capping a 59 yard drive with Tom ate's three yard plunge. Then in the econd quarter, Tate again went through he Cardinals' line giving Jeff a com-ortable 13 point lead at halftime. The emos came out of the locker room more red up than in the first quarters and ent on to score another 13 points via itchell and Nolten. Lincoln also cored 13 points in the second half but ouldn't get any further past Jeff's de-nse.



Trojans Upset Demos; 19-7

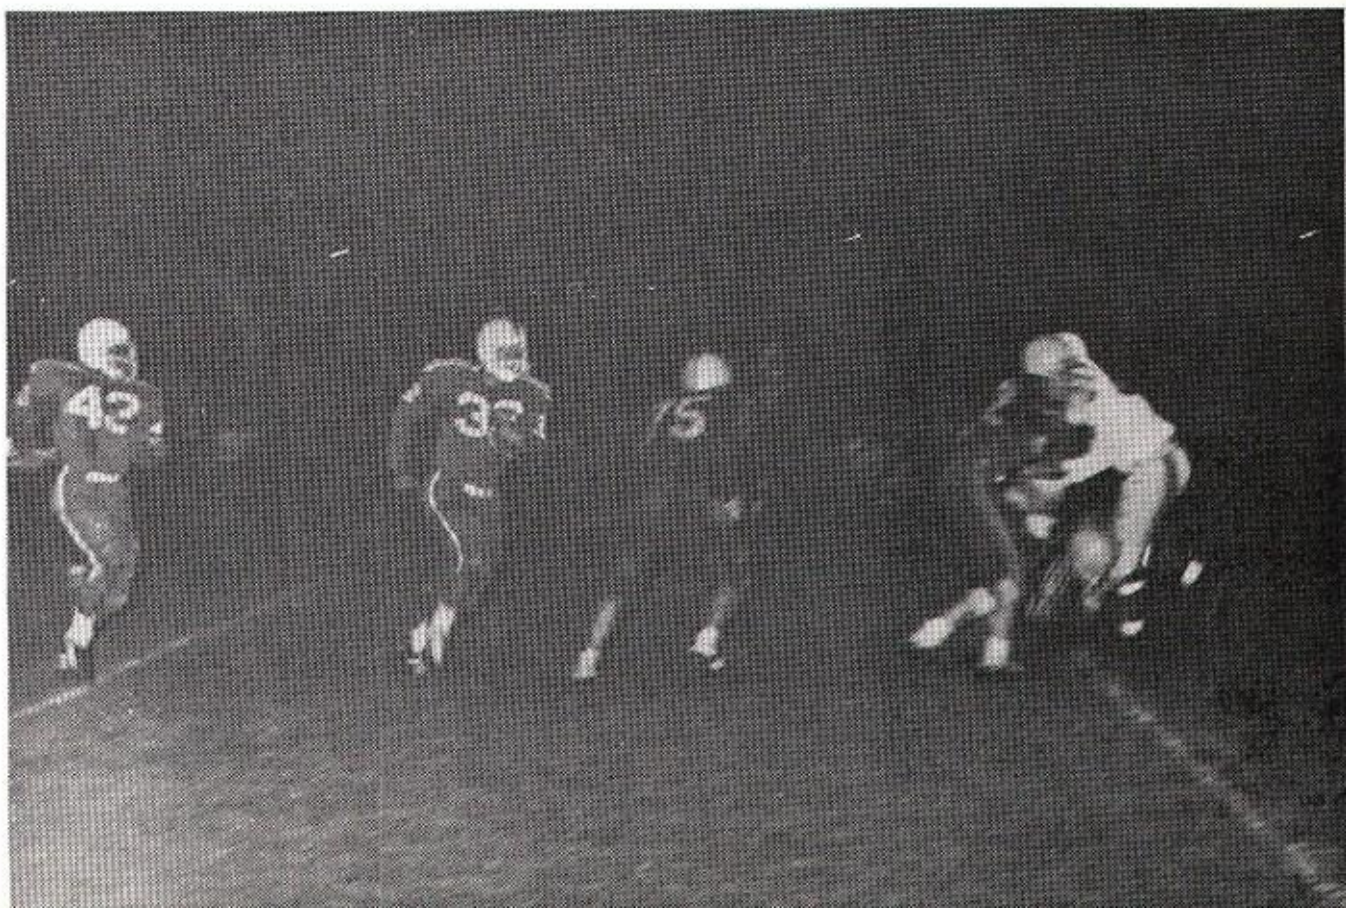
The first team to visit Jeff also hand-ed us our first defeat. Wilson caught the Demos on an off night and took advantage of the fact. Even though both teams held each other to a score-less first half, the Trojans scored one and two touchdowns in the third and fourth quarters respectively.

Jeff's third quarter touchdown came when the tough offensive front opened another hole for Tom Tate from the two yard line.

G-Men Squeak By; 29-21

The first half of the Jeff-Grant rival game was one of the best played by Jeff as the offense and defense com-bined efforts which put Tate close enough for two touchdowns of two and three yard runs. This gave the Blue and Gold five more points than Grant's nine.

The third and fourth quarters pro-duced only one touchdown for Jeff compared to Grant's three. Our touchdown came in the fourth quar-er when McGowan hit Nolten for 2 yards and the touchdown.

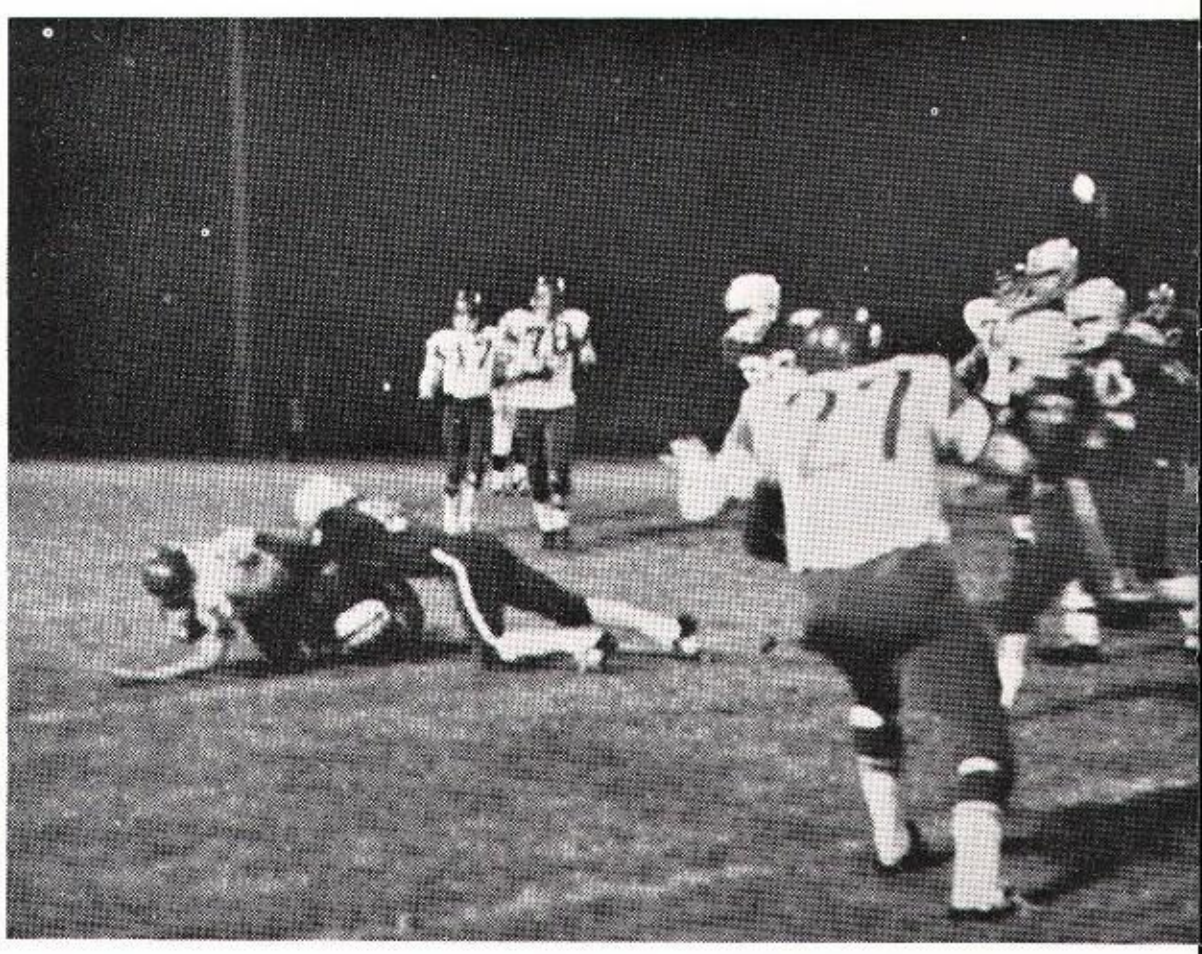


Demos Scalp Indians; 27-7

The Demos staked the Indians to an early 7-0 lead but fought back to run over the Tribe. The mighty Democrats rolled up 244 yards on the ground to only 42 for Cleveland. The game was highlighted by a 20 yard touchdown by Darnell Lowery on an intercepted lateral. Art Mitchell also returned a punt 57 yards for another touchdown.

Scots Dump Demos; 35-13

The Demos showed that they are true champions even though defeated. The score was one sided, but didn't really show the complete picture as Jeff's line looked strong against the much larger Scots. The Demo running attack came along well due to strong blocking up front. Tom McGowan and Art Mitchell looked good in a losing effort.



Jeff Shakes Quakers; 27-7

The smaller but quicker and more spirited Demos went after the Quakers trying to prove their ability, and did a great job of it. Led by seniors Tom McGowan and Tom Tate the Jeff offense literally ran over the bigger Quaker defense. The Demo defense was led by Tom Ball and Allen Frerichs who made many jarring and key tackles. This was the final game of the season and one of the Demos best.

J.V. and Frosh

The JV football team was unconquerable as they ran up a record of 8 wins and 0 losses. Head JV coach, James Alles, contributed the fine season to an outstanding defense and a well balanced offense. Coach Alles was quick to praise all of his players, but as on any team there were individual standouts. Jackie Strong was an excellent quarterback, with a very strong passing arm. Center Greg Kreiger was the hardest hitting on the team, and Jon Hall and Elmer Morris were credited with between 30 to 50% of the tackles. The nucleus of this team will make up a fine varsity team next year.

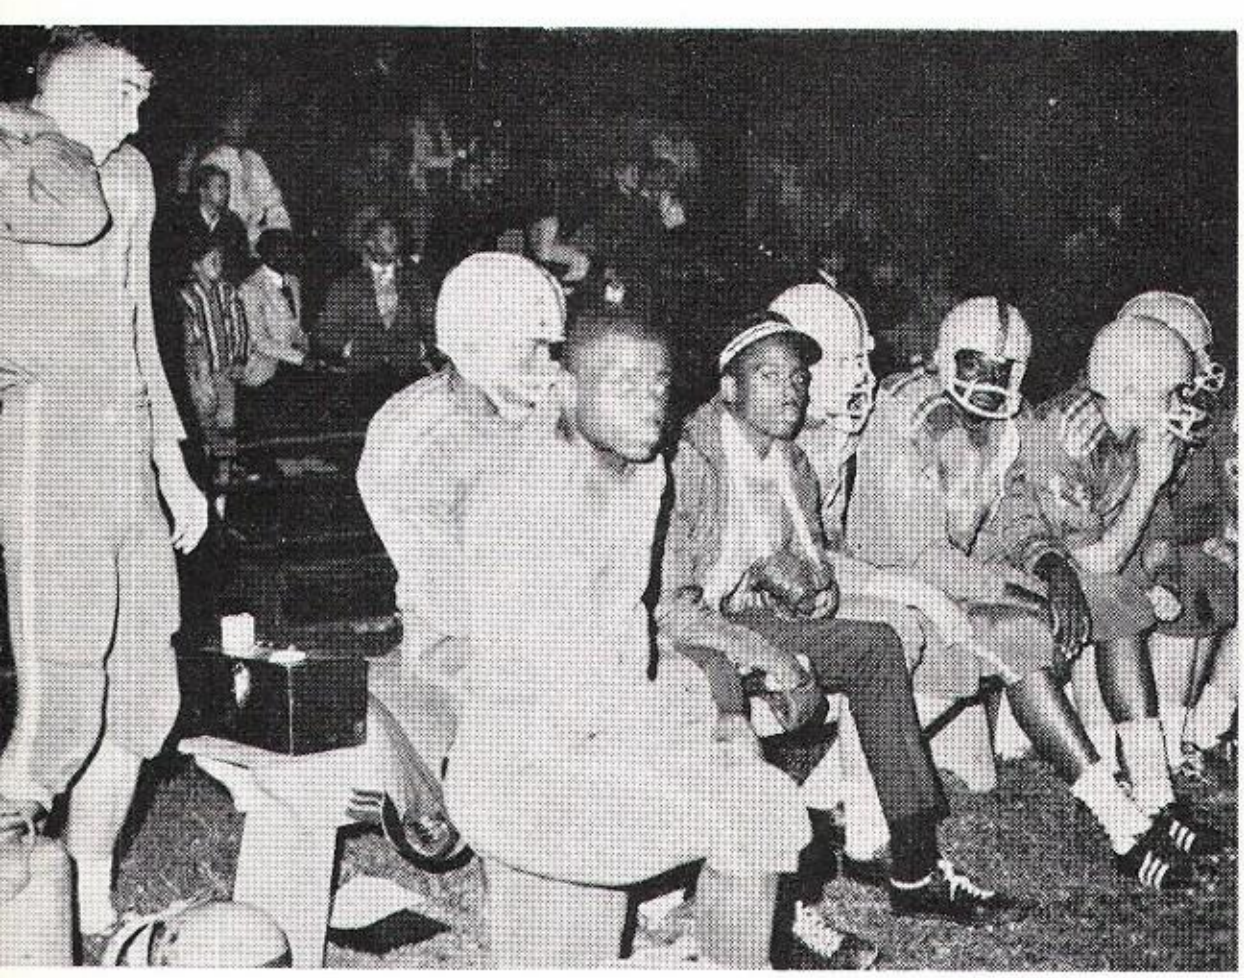
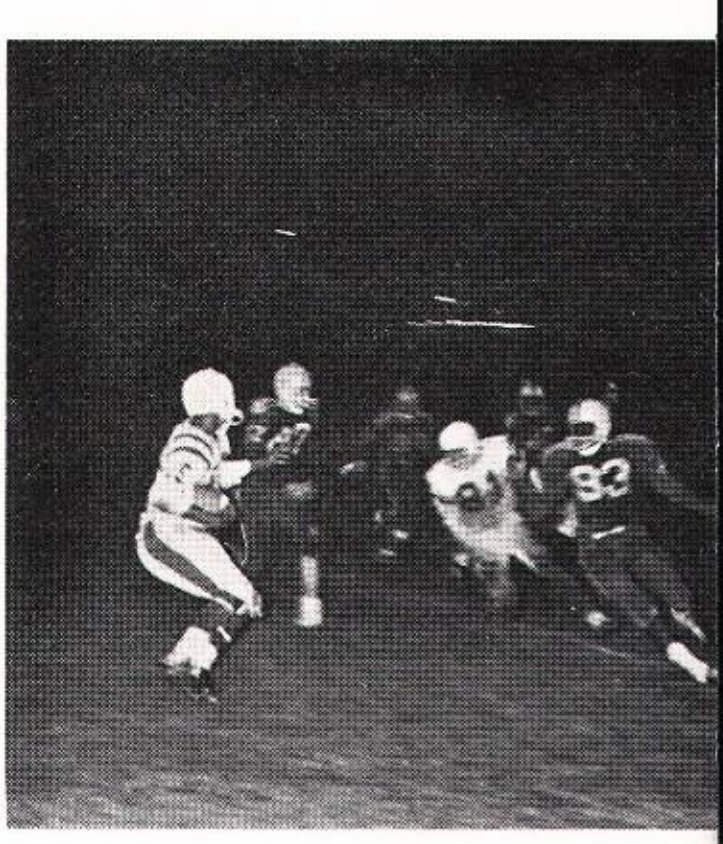
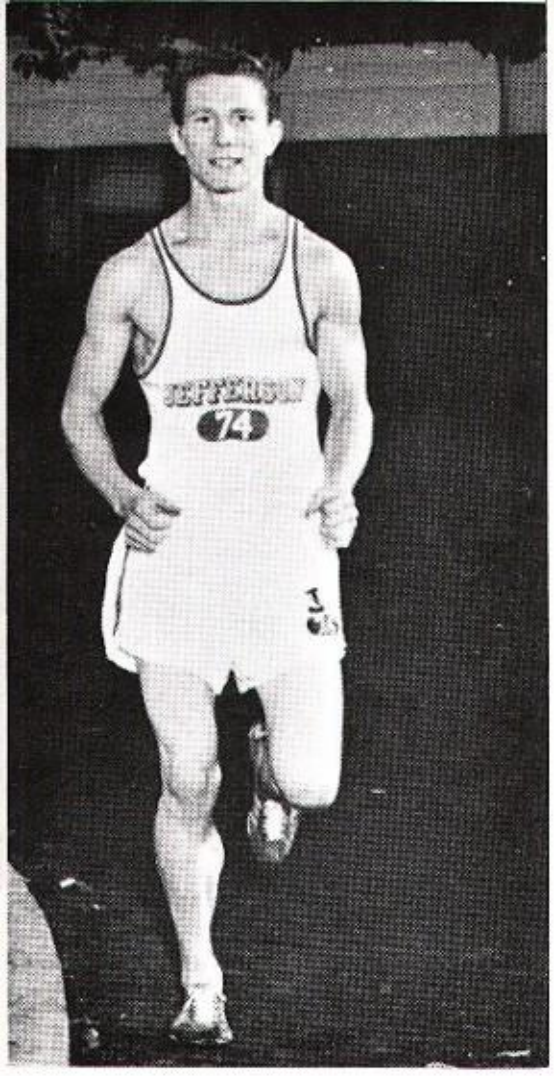
Score Victories

The baby cleatmen finished a fine season with a record of 4-2. Losing their first two games to Grant. and Marshall, gave them all the more determination to go out and win. Coach Starbuck thought the team was quick and full of spirit and the desire to win. "We have alot of players with good, natural ability." Outstanding players included Green and Warren, halfbacks; Haywood, fullback; Chase, center; and Kitto, quarterback.

Baby Demo takes on host of visitors.







WALLY JOHNSON

Coach Bertell's few harriers ran a fine season this year considering the few members. The small turnout hurt the Demo Cross Country team according to the coach.

Jefferson was represented in the City Relays as seniors Dan Baker and Wally Johnson placed 19th and 25th consecutively.

The Fin-Men of Jefferson High School came out of the PIL with a record of 4 wins and 6 losses. Larry Mackin captured 5th place in the 100 meter butterfly and 6th place in the 50 meter free style in state.

Coach Campbell sited Keith Griffen as a strong Demo swimmer for next year. Extra support came from seniors Bob Griffen and Ron Hayhurst, junior Dave Moore, sophomore Keith Griffen, and freshman Pat Moore.

This year's basketball team proved to be one of many surprises. It was known throughout the city that the Demos had speed, but this alone does not make a championship team. The rest of the ingredients can be summed up into one word-desire. Each player had this desire and because of this, Jefferson finished fourth in state and not fourth in city as we were rated to finish in pre-season polls. The Klamath Falls-Jefferson game was described as "the best prep basketball game ever played in Oregon." One paper even went so far as to call it "the game of a decade." After the game the Demo team received nothing but praise for their sportsmanship, this was truly a team to be proud of.

Jeff 76 Quakers 54
Demos 83 Quakers 60

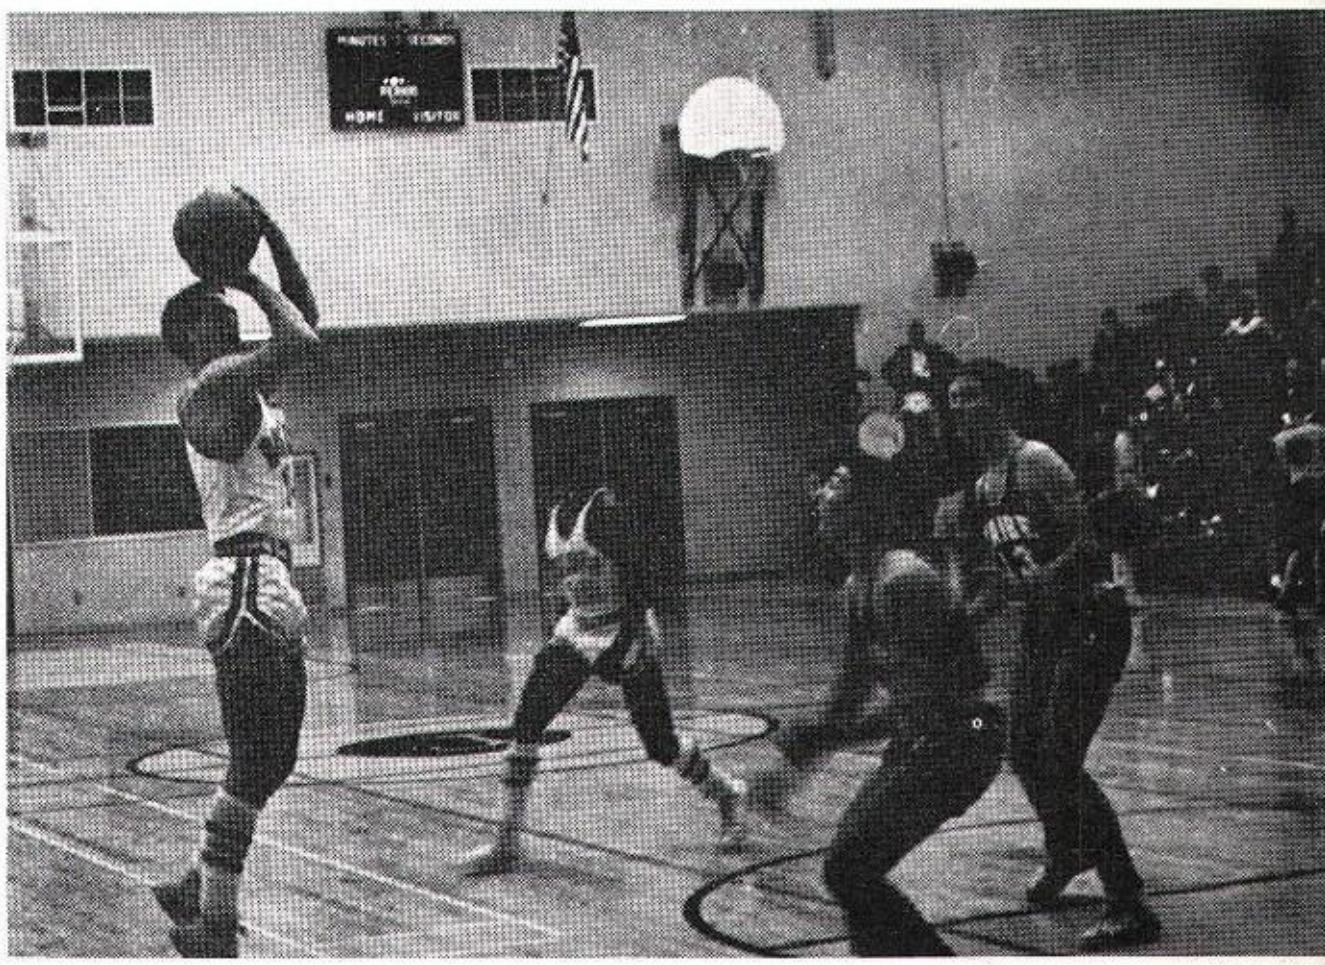
The season's opener for the Democrats was against an inexperienced Franklin team. Jeff started a 14 game winning streak when the Quakkers failed to keep up with the fast Demo pace.

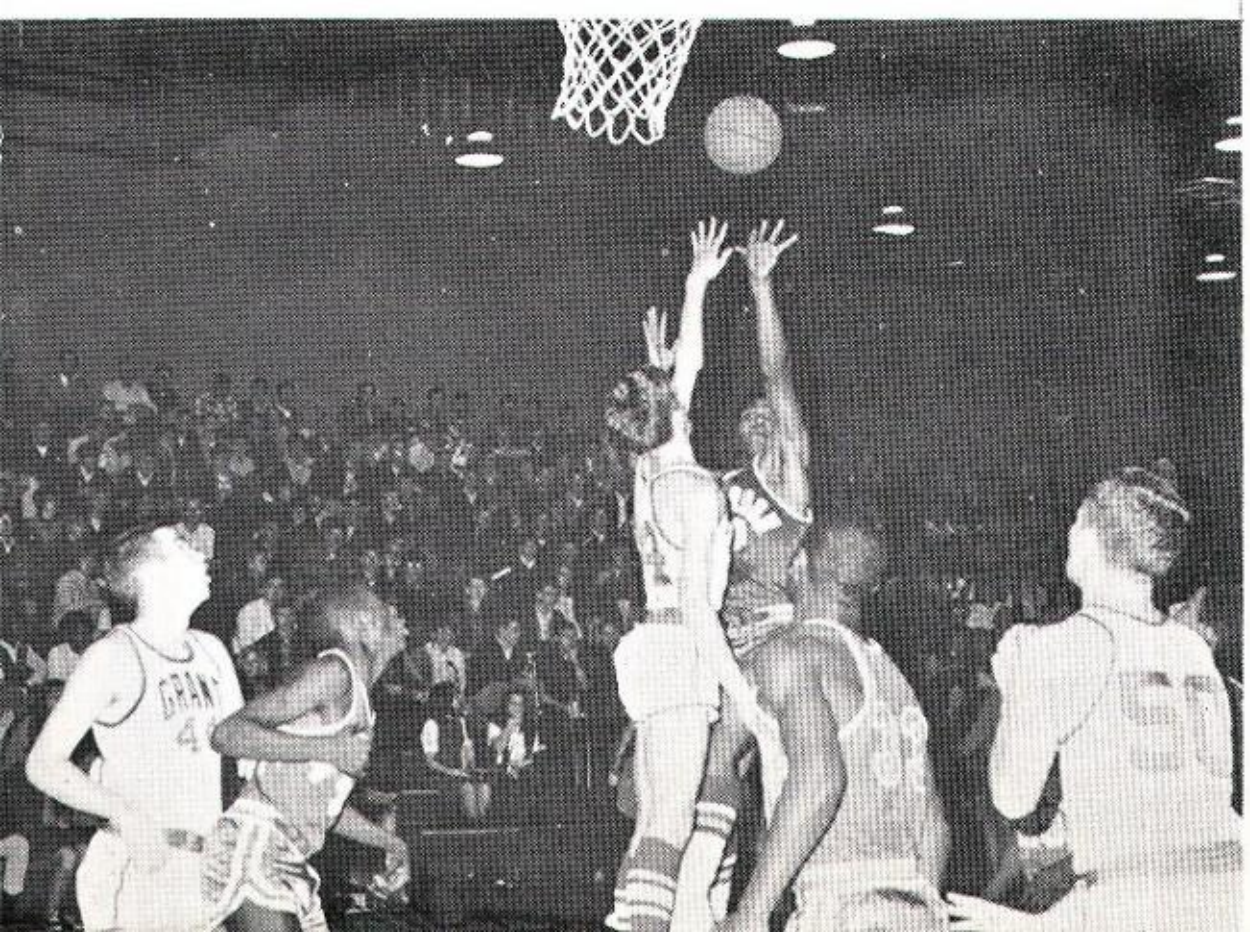
The beginning of the second half was just as fatal for Franklin as Jeff burned the Quakers 30-11 in the first quarter.

Jeff 82 Jackson 41
Demos 71 Jackson 52

The Demos gained another victory when a diapered Jackson team invaded the Jeff court. Jeff showed their superiority by manhandling the Raiders out the door.

A home court advantage and twelve games of experience were behind the Raiders in the second Jeff-Jackson meet but to no avail as the Democrats rolled up their thirteenth victory.





Jeff 75 Grant 72
Demos 73 G-Men 53

Jefferson's Demos went to number-two-rated Grant ready to play ball and did just that. The speedy Demos were ahead most of the way, but the bigger Generals closed the gap in the final quarter. Jeff held on to win, however, as Bill Drake and Larry Beaman made many clutch plays.

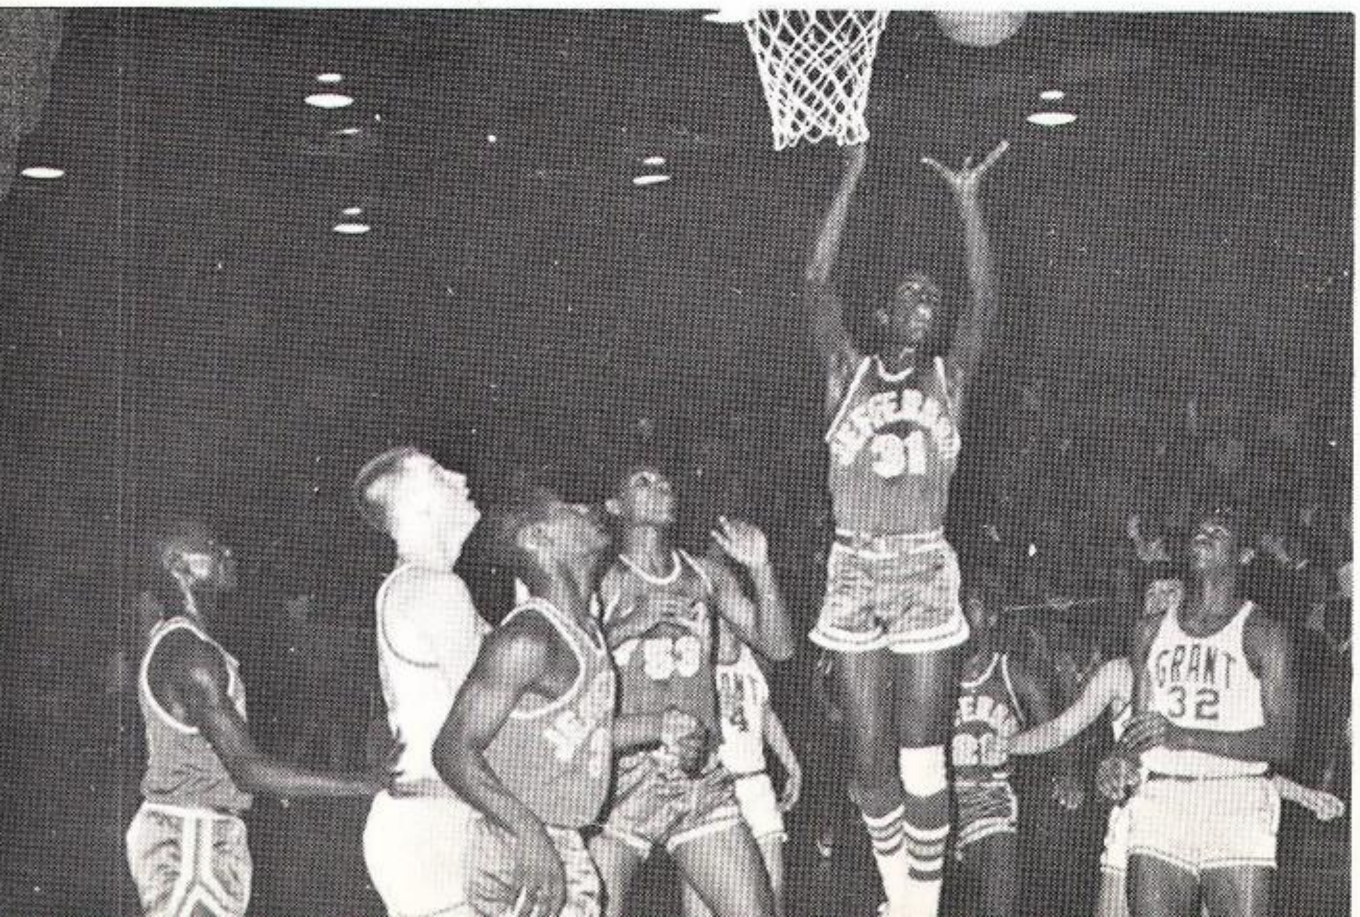
Grant came to Jeff in the second half bent for revenge, but were unable to get anywhere. The fastbreaking Demos ran right by the slower Generals and had no trouble winning. Gary Ladd shot well from outside and Bill Drake pulled down many important rebounds.

Jeff 70 Trojans 55
Demos 73 Trojans 70

Jefferson continued its winning ways as they swept two games from the Wilson Trojans. The first game played on a Friday night at Wilson was all Jeff's. The Demos raced to an early lead and never relinquished it. The second string gained experience for the state tournament as they played most of the second half. The second game between these two teams was played at Jeff on a Tuesday afternoon. This was one of the best Tuesday games played at Jeff all year. The game was close all the way going into the last minute.

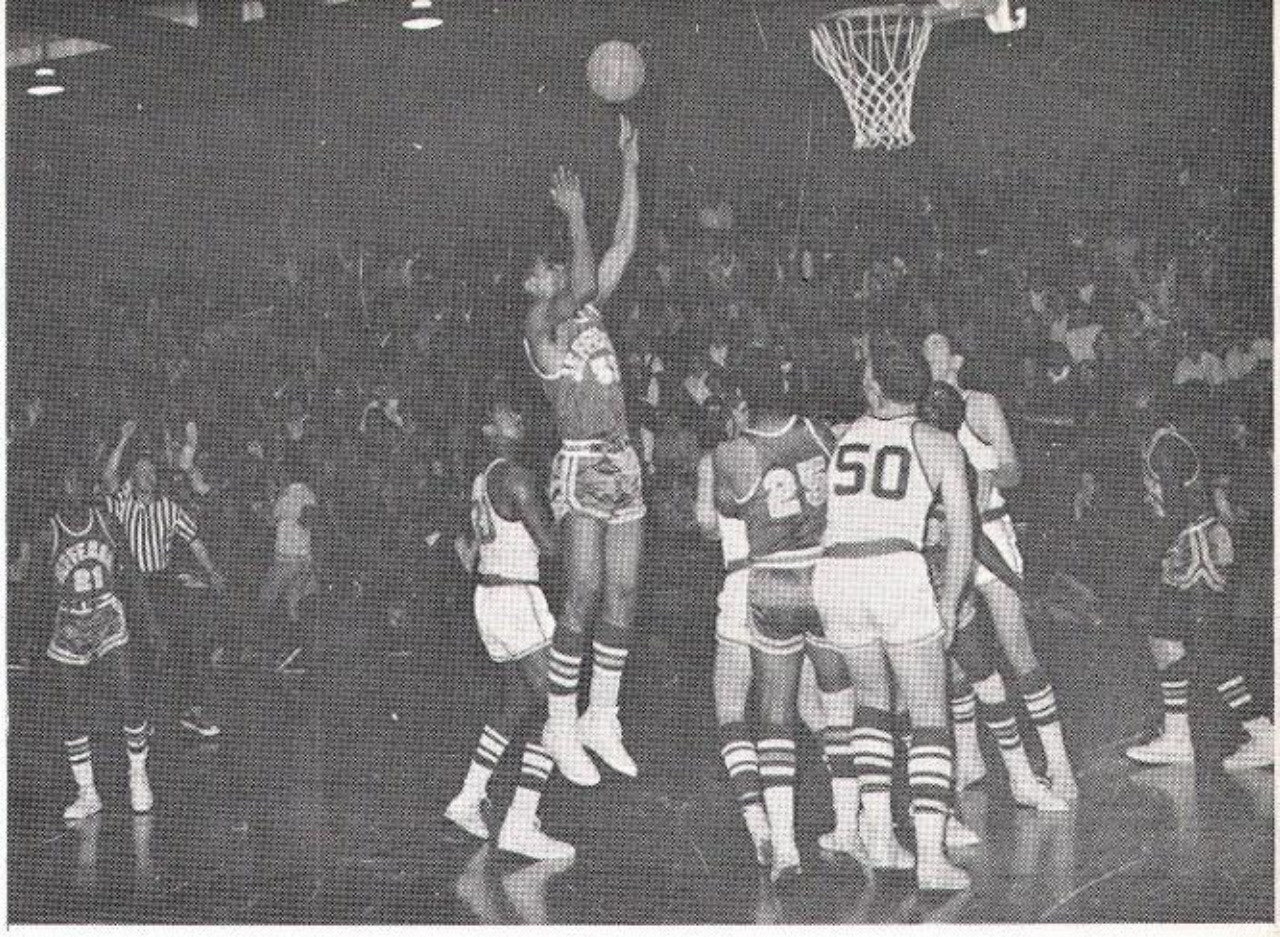
Jeff 88 Indians 62
Demos 67 Indians 63

The Demo basketball team had little trouble as they defeated Cleveland in both games this year. The games at Jeff started slow, but the Demos got hot and hit for 10 straight points, leaving the Indians too far behind to catch the quicker opposition. The second meeting of these two schools proved to be a much closer game as the Indians slowed down the Demo fast break and were in contention until they fell behind permanently at the start of the fourth quarter. The scoring was well balanced as three Demos hit in double figures; Gary Ladd again led the way with 23 points.



J-Men 67 M-Men 58
Demos 77 Marshall 54

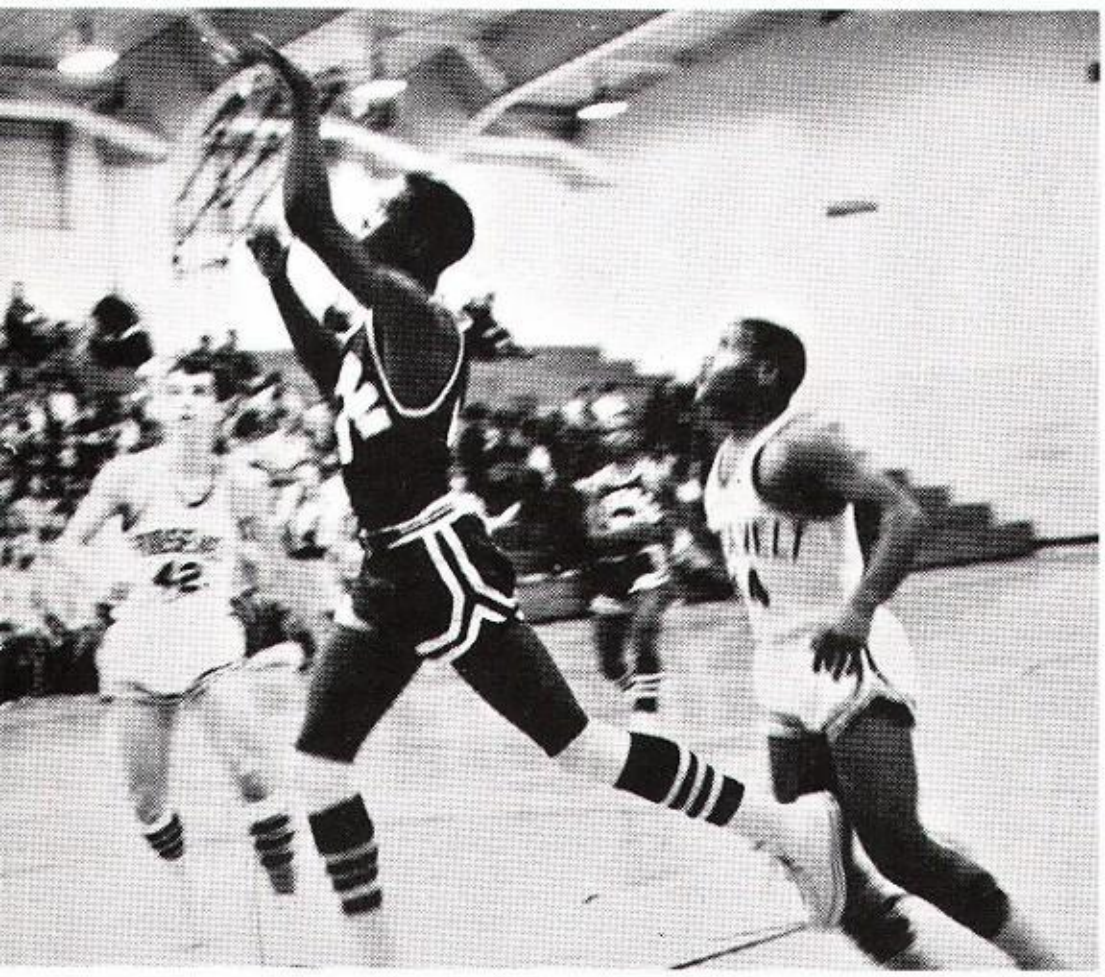
The young Marshall Minutemen, composed mostly of sophomores and juniors, almost upset the highly rated and undefeated Jefferson Democrats in the first game of the season between these two teams. The Demos were cold from the floor and only the rebounding of Don Sheppard and Bill Drake enabled the Demos to pull out the victory in the closing minutes. Jim Tims and Don Bussey had a fine game as they led their team in scoring.



Jeff 91 Tech 69
Demos 89 Engineers 65

Jeff ended the first half on a good note by beating Benson on their home court for a perfect 11-0 record. This was the Demo's highest point output of the season. The Techmen stayed with Jeff throughout the first half, but slowed down in the third quarter as the Demo's pulled quickly away.

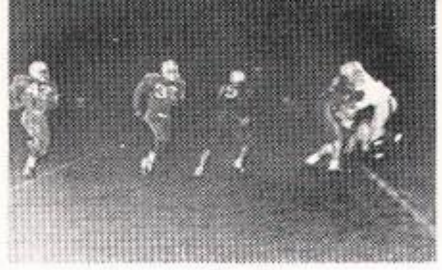
The second encounter at Jeff was much the same as the Demos pulled away quickly and never looked back.

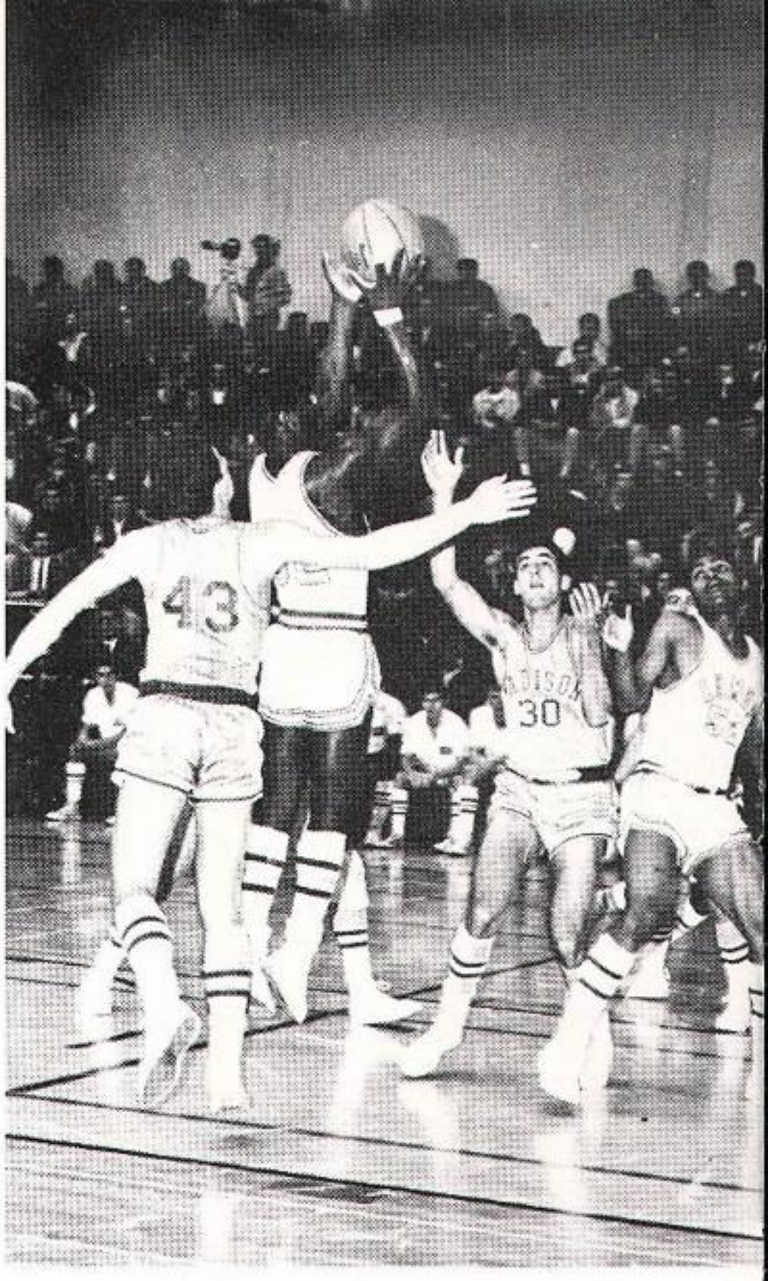


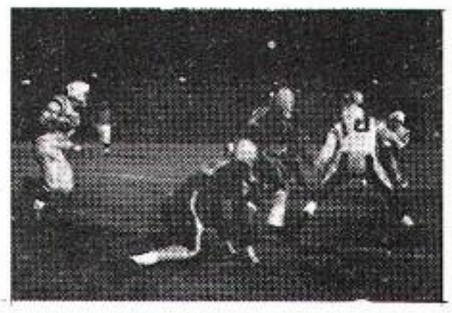
J-Men 62 Teds 52
Demos 84 Roosevelt 59

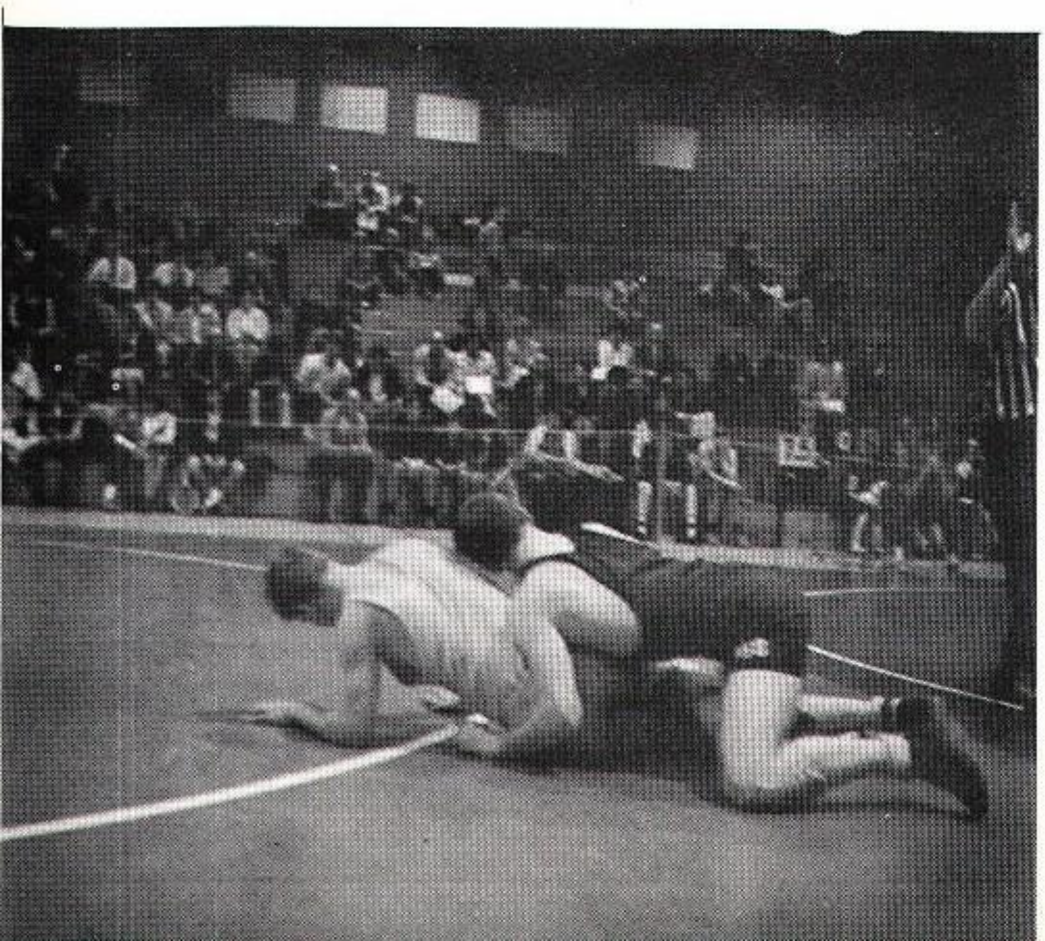
Jeff travelled to Roosevelt confident after two big wins over Madison and Washington, but always tough Roosevelt surprised the Demos as they stayed right with them. The game was marred by turnovers and fouls by both team. Larry Beaman and Rick Mickels came off the bench to spark the Demos to victory.

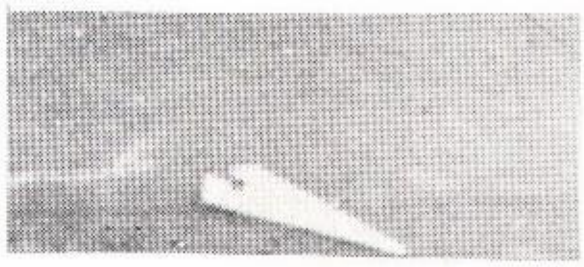
The second time around looked the same and was just as close due to the hot shooting of Roosevelt's Dennis Cross, but Gary Ladd's hot hand made the difference for Jeff's victory.

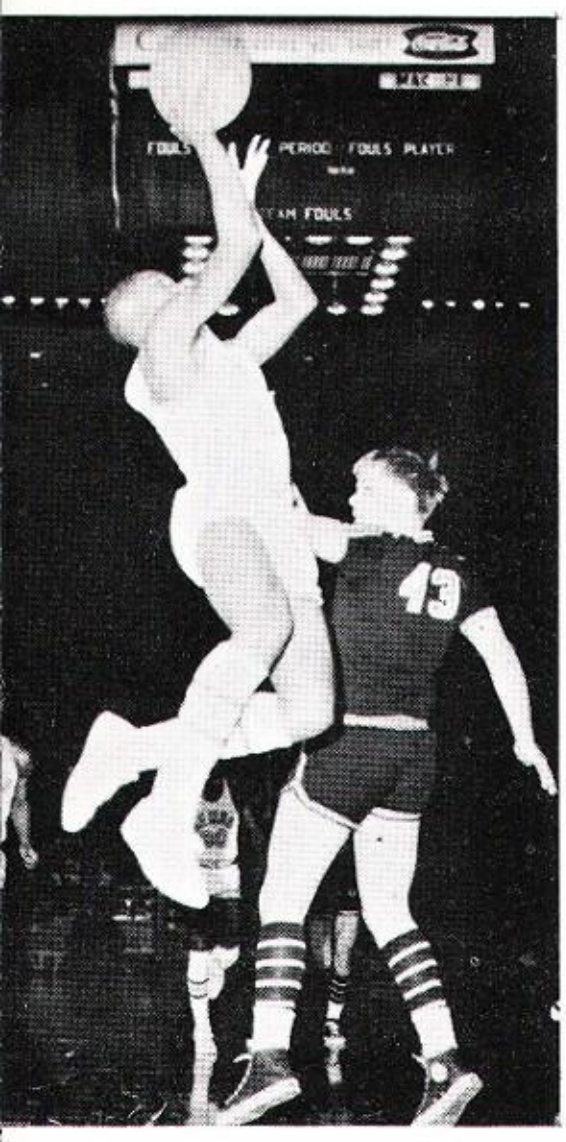












State Tourney

The State Tournament proved to be one of tremendous success for the Demos. The team made a very respectable fourth place showing, but more impressive was the true Jefferson sportsmanship exhibited on and off the floor by all Jefferson students.

The Democrats started off the tournament with a very convincing victory over Mac Hi. Next came Klamath Falls, the number one rated team in the state. The Demos were in command at half-time as they shot a torrid .667 from the floor, but as the three-quarter mark rolled around, Captain Jim Tims got into foul trouble; the Pelicans jumped into the lead and held on for the win. The rest of the tournament was an anti-climax after this game. Even though neither Jeff nor Klamath Falls won the tournament both teams showed their poise and were rated by most people as the two best in the state.

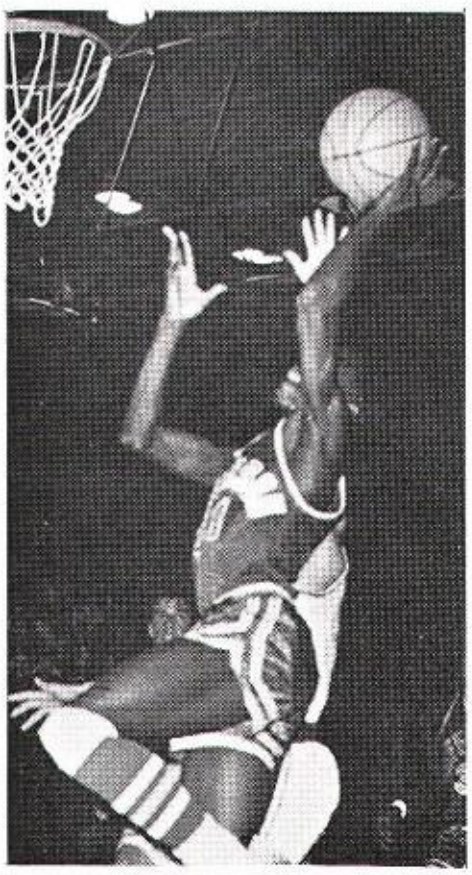
J.V.s Show Will To Win

Mr. Bertell's cagers had many problems this year. Much sickness and some friction were two of the reasons. He finally cut the number of team members, and as a result, they began playing better.

His players did, however, gain experience, since there was only one junior, Lester Cooke, on the team. This enabled the sophomores to play more often during the games. One freshman, Chuck Washington, also did a fine job and should be a key to Jeff's future success.

Baby Demos Reap Victories



The freshman team this year ended with a record of 9-4. Losing to Washington, Grant, and two metro teams, the baby dribblers finally jelled and went on to win the rest of their games.

Coach Osborn feels that the team had excellent shooting, rebounding, and most important of all, good floor leadership. "At times we blew the other team right off the floor," Coach Osborn commented.

Due mostly to lack of participation, the varsity wrestlers finished the season with a disappointing 1 win-10 loss record. The Demo matmen sent eight wrestlers to the city championships but only Pete Overvold, senior, was successful, taking fourth place. Coach Peterson expects a much improved team next year with many fine wrestlers coming up from the freshman team.

This year the freshman wrestlers compiled a seven win-five loss record, which probably makes up the strongest team assembled at Jeff in recent years. Three freshmen made the varsity ranks their first year out. They were Stan Walberg, Terry Payton, and Joe Pudwill. Payton had an impressive 5-1 record and Stan Walberg was only one win behind at 4-1. There were many fine records on the team. Greg Benton and David Oliver were each undefeated in 11 matches. Almost equally as impressive were Bill Haywood 11-1, Dan Dayley 9-1, and Randy Sherrill 8-1. This team will be one to watch in the next few years. They are sure to move Jeff up in the standings.

COACH PIENOVI

This year's baseball team began the year with a fine nucleus from last year. Harry Fray, centerfield, pitchers Tom Tate, Frank Mohr, and Todd are among those in coach Pienovi's hopes for the city championship.

This team did, though, get a slow start. Errors in key positions were one reason, and a lack of team effort was another. But they finally came to life at the end of the first half and finished strong.

Junior Varsity Baseball

The '67 JV baseball team had a disappointing season according to the wins and losses column. But this isn't true when it comes to summing up some of the stars that will be enlisted in the varsity line-up next year. Pitchers Garth Pfeifer and Gary MacFarland showed real promise although it was a 50-50 win-loss season. Carrying big sticks for the JV diamondmen were George Hohnstein, Grant Higginson, Mike Grear, and Garth Pfeifer.

The frosh batmen had a reasonably successful season. In two pre-season games, they beat Central Catholic, 4-3 and lost to North Catholic's JV's, 12-2. In a league game, they beat Jackson 5-3.

Coach Wilcox felt he had a real hard working team. "They really have shown great improvement." Pitchers for the team included Fred Creal and Greg Taylor. Outstanding were Ralph Nickerson, 3rd base, and Mike Carlson, 1st base.

An outstanding number of girls have participated in all the track and field events. In all their meets, the girls have shown a tremendous amount of strength on the field as well as on the track. Jeff's girls, in their second meet, led Grant and Madison by an excess of points. Coach Vielhauer said that the girls this year were a very hard working team. Outstanding athletes were Barbra Relf and Julie Green.

Gymnasts Fly High

This year's gymnastic team was one of the most exciting for Jeff. They were also one of the top teams in the city as they placed 3rd in the city meet. Arnold Osborn was one of the standouts on this team as he took 1st in city and 6th in state on the rings. Cal Duvall also took a 1st place on the parallel bars and Andy Granger took 4th. Coach Campbell credited the good showing to lots of time and hard work. Next year's team will have many returning lettermen and should also prove to be an outstanding team.

Front row: Janice Hoehn, Debbie Larson, Linda Pulioff, Lea Needles. Second row: Joan Ryzner, Marie Baxter, Judy Eudaly, Margaret Johnson, Marsha Smith. Not pictured: Karen Fessler.

The girls' tennis team has practiced many long hours on the parking lot tennis courts. Coach Jensen commented on the teams' lack of experience, which it will have next year, and also on the never-dying spirit of the girls. The team consisted of only juniors and sophomores this year. Though the weather was not with them, they continued to play and practice. Seniors for next year include: M. Johnson, J. Hoehn, J. Ryzner, D. Larson, and K. Fessler.

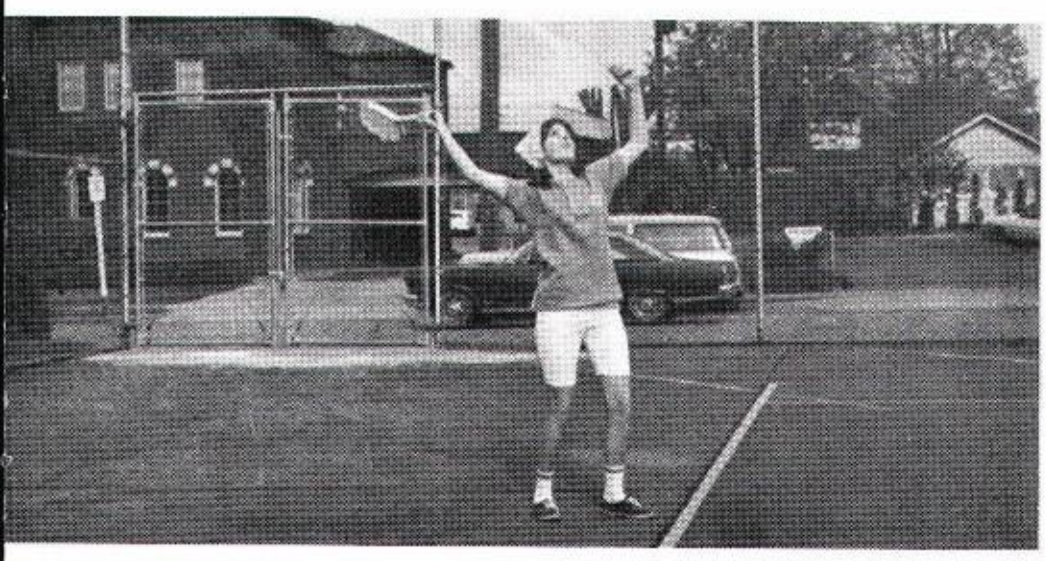
THAT'S THE WAY PULIOFF!



IT'S GOING TO BE A GOOD ONE, DEBBIE!

Racket Squads

The boys' tennis team practiced hard this year. They had a very small team, but made up for it by their excellent playing ability, under the direction of Coach Campbell. This year the boys were lucky from a weather standpoint. They played all their games on schedule and showed a tremendous amount of promise before the season ended. Seniors include Roy Johnson, Ray Akagi, and Pete Overvold.

Ray Akagi, Roy Johnson, Keith Griffen, Mitch Cohen, Randy Potter, Coach Campbell.

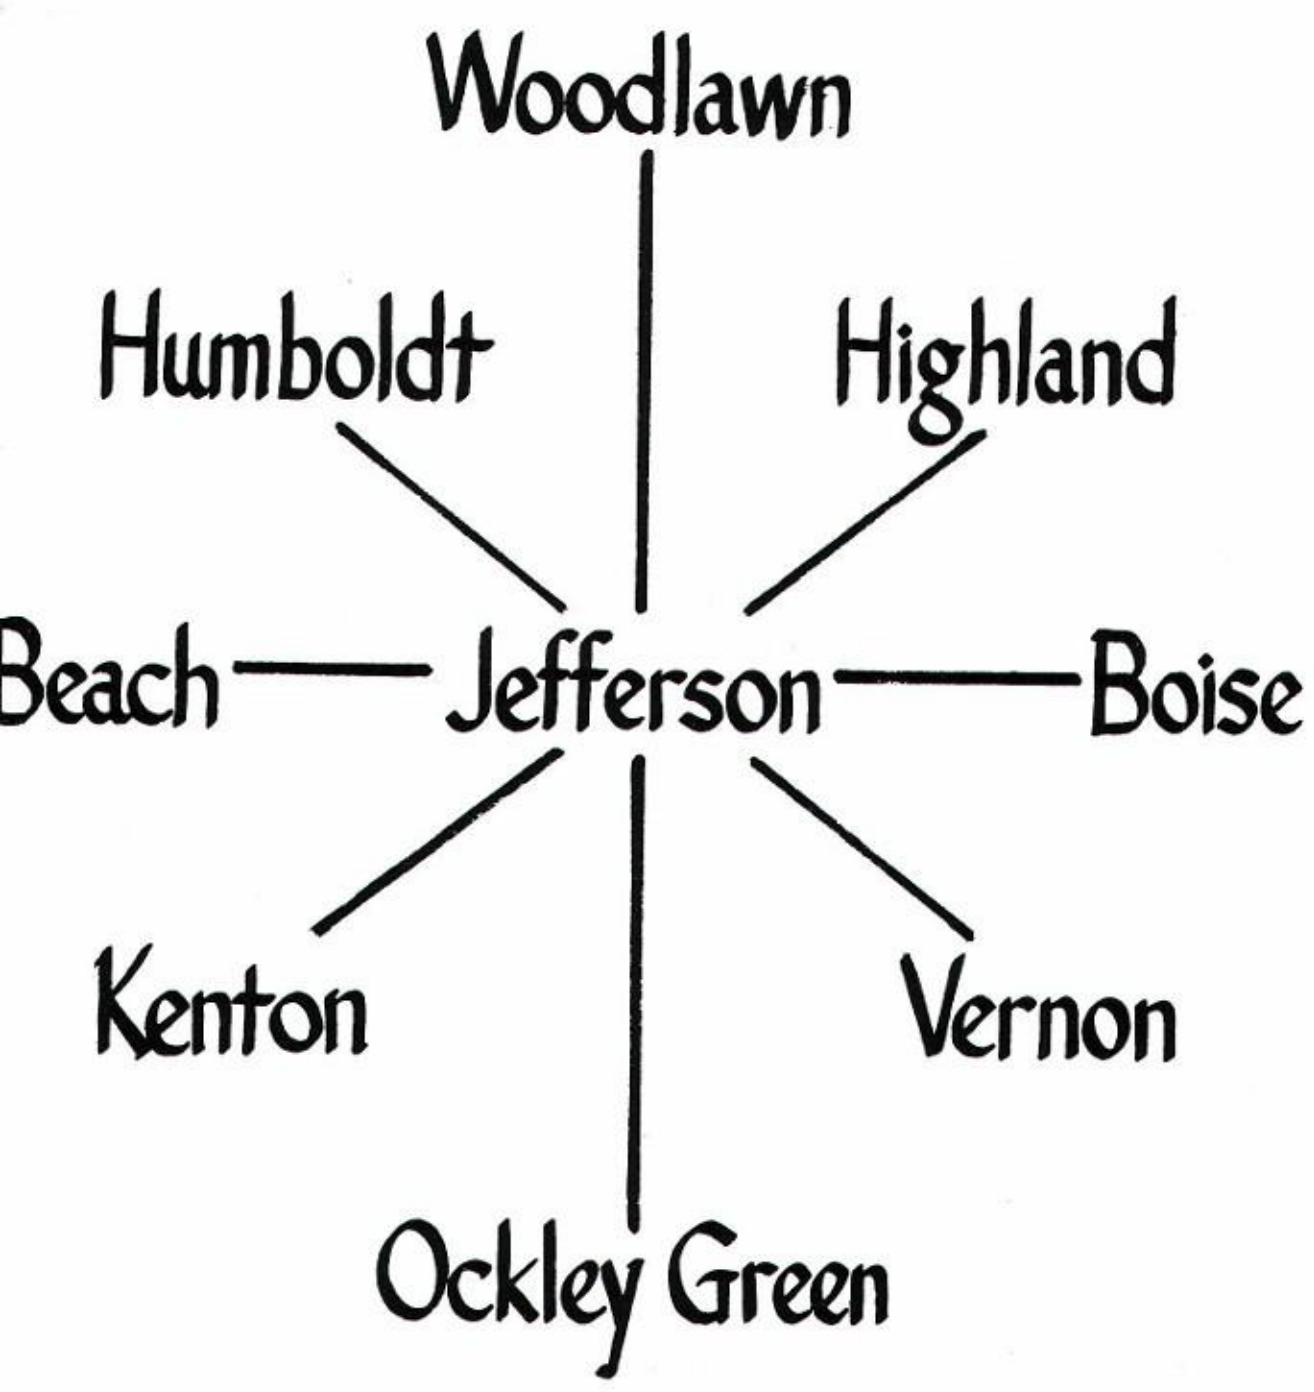
1314 SOUTHWEST PARK AVENUE
PORTLAND, OREGON 97201

Parent-Teacher Association means communication between Parent, School & Community

Together, we build the community of champions



Become <u>part</u> of the community by attending all school events

ALMIGHTY GOD, CREATOR OF ATOM AND ASTRONAUT, WE LAY BEFORE THEE A CONCERN FOR YOUTH IN OUR HIGH SCHOOLS. WE THANK THEE THAT HOPE FOR THE WORLD IS GIVEN ANEW BY EACH GENERATION OF STUDENTS THAT GO OUT PREPARED TO MEET THE PROBLEMS OF THE WORLD. HELP THEM SEE BEYOND THE MORAL DILEMMA AND STRIVE TOWARD A NEWER WORLD, WHERE DISCRIMINATION ON THE BASIS OF RACE, AND NEED FOR NATIONS TO TAKE UP ARMS AGAINST EACH OTHER WILL CEASE TO BE. WE ARE AWARE, DEAR FATHER, THAT REFORMATION BEGINS WITHIN OURSELVES. FILL US WITH THE SPIRIT OF OUR LORD THAT WE, TOO, MAY BE PEOPLE WHO LIVE FOR OTHERS, RATHER THAN PEOPLE WHO LIVE FOR THEMSELVES. AMEN.
